State Capitol Building, Room 122

Oklahoma City, OK 73105

Dear Director Doerflinger:

Pursuant to 74 O.S. § 841.30 (OSCN 2015) the Oklahoma Department of Human Services (DHS) is requesting your recommendation to increase the agency’s unclassified positions from 5% to 10% based on the agency’s authorized full-time-equivalent (FTE) positions as prescribed in 56 O.S. § 26.17 C.4. This request may cause the creation of additional unclassified positions and/or will allow for the conversion of current classified positions to the unclassified service.

Approval of this request allows the Agency to establish unclassified positions at the managerial and administrative levels or as dictated by business needs. DHS used this approach during the vertical reorganization of the Agency in 2012. This provides the platform on which both managerial and administrative field and program staff have the same degree of accountability within their assigned program. Lastly, the increase in unclassified positions allows the agency to build in a buffer in order to remain in compliance with statute should the agency’s authorized FTE fluctuate downward.

I appreciate your attention in this matter. Should you have any questions concerning the request, please contact me or Diane Haser-Bennett, Director, Human Resource Management, at 405-521-3520.

Sincerely,

Ed Lake, Director
Department of Human Services

Re: State Election Board

Dear Senator Stanislawski,

Please include this request on the agenda for the next meeting of the Oklahoma Compensation and Unclassified Positions Review Board scheduled on Monday, March 2, 2015.

The Secretary of the State Election Board requests that 74 O.S. 2011, Section 840-5.24 be repealed and for the State Election Board to be affirmatively removed from the Merit System of Personnel Administration.

This statute was enacted in 2001. Prior to the enactment of this statute, all election officials and employees were in the unclassified service pursuant to 74 O.S. 2011, Section 840-5.5.

The State Election Board has budgeted for 24 FTEs, but three of these positions are currently vacant. Of the 21 current employees of the State Election Board, 7 are unclassified. Under this proposal, current State Election Board employees who were hired in the classified service could retain their classified status, pursuant to law; however, new hires and employees promoted to other positions would be unclassified pursuant to 74 O.S. 2011, Section 840-5.5.

This request is necessary because:

- Election Administration is a specialized field of expertise. Despite this, experience in election administration is generally not considered by Human Capital Management Division when providing the agency with lists of job applicants.
- If the State Election Board reverts to the unclassified service, as it was prior to July 1, 2001, it will be more efficient for the agency to fill vacancies through promotion and/or hiring of individuals with election administration experience. (This is particularly important given that six employees are currently eligible to retire.)
- It will allow the State Election Board to more efficiently reorganize staff duties and responsibilities to accommodate the modernization of the statewide voting system and changes to state and federal election law.

February 18, 2015

Lucinda Meltabarger, Administrator
Human Capital Management Division
Oklahoma Office of Management and Enterprise Services
2101 North Lincoln Boulevard, Suite G-80
Oklahoma City, OK 73105

Dear Ms. Meltabarger:

The Oklahoma Department of Rehabilitation Services requests that the Compensation and Unclassified Positions Review Board review and approve its request for authorization for additional unclassified positions in the Disability Determination Division (DDD). Currently, pursuant to 74 O.S. 2011, Section 840-5.12, DDD is authorized fourteen (14) unclassified positions. The authorization for that level was granted in 2008, when DDD staffing stood at 211 employees. The current staffing level is at 327. To provide a proportional number of unclassified positions in relation to the expanded classified staff, we are asking for authority to add seven (7) additional unclassified positions, for a total of twenty one (21).

A provision to make this adjustment was included last year in HB 2158, a carry-over from the prior year, but failed to pass. We propose to introduce legislation again this year to accomplish this adjustment in SB 153.

We would appreciate your bringing this request before the Board with a recommendation for approval. If you have any questions or concerns, please do not hesitate to contact me at 951-3457, or by email at tpatt@okdrs.gov.

Sincerely,

Thomas W. Patt
