# How the HealthChoice Dental Plan Works

This handbook provides a quick guide to the plan benefits. Please read this handbook carefully for explanations of the eligibility rules and what the plan pays, limits and exclusions.

The benefits of the HealthChoice Dental Plan are based on cost-sharing features that include a deductible and coinsurance. Plan benefits and your out-of-pocket costs will differ depending on the provider you choose.

## HealthChoice Provider Network

As a HealthChoice member, you have the option to be treated by any dental provider and the option to change dental providers at any time. You are encouraged to use network providers whenever possible because you receive a higher level of benefits.

Network providers are contracted with HealthChoice and have agreed to accept HealthChoice allowable fees for the services and equipment they provide. Network providers have agreed not to bill you for charges that are greater than allowable fees. You are still responsible for your plan's deductibles and coinsurance, charges for non-covered services, and amounts above the calendar year maximum benefit.

Non-network providers are not contracted with HealthChoice and have not agreed to accept allowable fees. This means you are responsible for paying the difference between the amount the provider bills and allowable fees. This process, known as balance billing, can be a large amount of money

out of your own pocket. Even after you reach your plan's out-of-pocket maximum, you are still responsible for all amounts above allowable fees when you use non-network providers.

## Finding a HealthChoice Network Provider

You can find a HealthChoice network provider by going to [www.healthchoiceconnect.com](http://www.healthchoiceconnect.com).

You can also contact customer care to find a network provider. For contact information, refer to Plan Identification Information.

If you are unable to locate a HealthChoice network provider in your area, you can nominate a provider for participation by completing the online provider nomination form or contacting EGID Member Services. For contact information, refer to Plan Identification Information.

## Summary of Dental Plan Benefits

### Network Providers

**When using a network provider, the plan provides the following benefits:**

- Preventive services covered at 100 percent of allowable fees.
- A calendar year deductible of \$25 per individual/\$75 maximum per family for basic and major restorative services.
- Basic restorative services covered at 85 percent of allowable fees after the deductible has been met.

- Major restorative services covered at 60 percent of allowable fees after the deductible has been met.
- Orthodontic services for members under age 19, or members ages 19 and older with temporomandibular joint dysfunction, are covered at 50 percent of allowable fees. There is no calendar year deductible or lifetime maximum benefit; however, a 12-month waiting period applies to all orthodontic benefits except for those members being treated for TMD. Refer to Limitations in the Exclusions and Limitations section.

Network providers file your claims for you.

The calendar year maximum benefit per person for network and non-network preventive, basic and major services combined is \$2,500. The calendar year maximum benefit does not apply to orthodontic services.

You are responsible for all non-covered services and amounts above the calendar year maximum benefit.

## **Non-Network Providers**

**When using a non-network provider, the plan provides the following benefits:**

- Preventive services covered at 100 percent of allowable fees after the deductible has been met.

- A calendar year deductible of \$25 per individual/\$75 maximum per family for preventive, basic and major services.
- Basic restorative services covered at 70 percent of allowable fees after the deductible has been met.
- Major restorative services covered at 50 percent of allowable fees after the deductible has been met.
- Orthodontic services for members under age 19 or members ages 19 and older with TMD are covered at 50 percent of allowable fees. There is no calendar year deductible or lifetime maximum benefit; however, a 12-month waiting period applies to all orthodontic benefits except for those members who are being treated for TMD. Refer to Limitations in the Exclusions and Limitations section.

If you use a non-network provider, you may have to file your claims yourself. You must file your non-network claims with customer care unless the provider chooses to file for you as a courtesy. Refer to the Claim Procedures section.

The calendar year maximum benefit per person for network and non-network preventive, basic and major services combined is \$2,500. The calendar year maximum benefit does not apply to orthodontic services.

You are responsible for all non-covered services, amounts above the calendar year maximum benefit and amounts above allowable fees.

**This list is not all-inclusive.**

## **Limitations**

### **Orthodontic Waiting Period**

No orthodontic benefits are available to members or dependents during the first 12 consecutive months of coverage. The 12-month waiting period does not exist if the treatment is for TMD.

Benefits for orthodontic services received during the waiting period are prorated once 12 consecutive months of coverage are completed.

## **Dental Accidents**

Dental accidents are covered under the HealthChoice health plans, which pay for medically necessary treatment for the repair of injury to sound natural teeth or gums. You must be a member of a HealthChoice health plan and treatment must be performed within 12 months following the accident. If you are enrolled in a different health plan, contact that plan for information on how dental accidents are covered.

## **Claim Procedures**

### **Claim Filing and Payment**

Dental claims must be submitted on the most current American Dental Association claim form. Items such as cash register receipts, pull-apart forms and billing statements are not accepted.

### **Network**

Network providers are required by contract to submit your claims for you using the appropriate form. Payment is automatically made to your provider.

### **Non-Network**

Non-network providers are not required to submit claims on your behalf and may not use the appropriate form. If this is the case, ask if they can submit the claim on your behalf using the appropriate form or if they can provide you a completed form so you can file the claim yourself.

Claims should be filed as soon as services are received or completed. Send your claim to customer care. For contact information, refer to Plan Identification Information.

Non-network claims are usually paid to you; however, you can choose to assign benefits directly to your provider.

When a valid assignment of benefits to your provider is submitted with your claim, payment is made to your provider. When there is no valid assignment of benefits, payment is made to you and you are responsible for paying your provider.

## **Claims Filing Deadline**

Claims must be submitted no later than 365 days following the date of service or date the supply was rendered. For example, if the date of service is Feb. 1, 2019, the claim is accepted through Feb. 1, 2020.

## **Claims for Services Outside the United States**

If you receive dental care outside the United States, follow these claim procedures:

- Make arrangements to pay for the services or supplies.
- Submit an itemized statement for reimbursement.
- Have claims translated into English with U.S. dollar amounts before you file your claim.
- Convert charges to U.S. dollars using the exchange rates applicable for the date of service.
- File the original claim along with the translation; the plan does not pay any costs for translating claims or dental records.

Itemized bills should be sent to:

HealthChoice  
P.O. Box 99011  
Lubbock, TX. 79490-9011

Allowable fees are paid at the non-network rate of coinsurance. You are responsible for amounts above the allowable fees.

## **Coordination of Benefits**

If you or your covered dependents have dental coverage with another group dental plan, HealthChoice benefits are coordinated so the total benefits received are not greater than the charges billed, benefits allowed or your responsibility.

If you terminate your other group dental coverage, please send written notice and supporting documentation to customer care. For contact information, refer to Plan Identification Information.

## **Claims Requiring Additional Information**

If your dental claim requires additional information for processing, your explanation of benefits identifies the specific information needed. In some instances, a letter is also sent that explains what information is required to complete claim processing. Your claim is closed until this information is received.

Please be sure to include your member ID number and claim number when returning the requested information. Once the information is provided to customer care, your claim is automatically processed. You do not need to resubmit your claim.

# Verification of Other Insurance Coverage

If you have other group dental insurance, the verification of other insurance coverage provides HealthChoice with information about your other group dental insurance. This information is used to coordinate your HealthChoice benefits with your other insurance plan. When a VOIC is needed to process your claim, customer care will notify you. You can update your VOIC information by contacting customer care or by visiting HealthChoice Connect at [www.healthchoiceconnect.com](http://www.healthchoiceconnect.com). **Failure to provide VOIC will cause your claim to be denied for non-compliance.**

## Explanation of Benefits

Each time a claim is processed, customer care creates an explanation of benefits that explains how your benefits are applied. Your EOB includes:

- Provider.
- Date of service.
- Explanation code.
- Coinsurance.
- Total benefits.
- Deductible.
- Amount not covered.
- Copay.
- Total billed amount.
- Provider write-off.
- Amount allowed.

Your EOBs are available through HealthChoice Connect at [www.healthchoiceconnect.com](http://www.healthchoiceconnect.com). If you have difficulty accessing your EOB online, contact customer care. For contact information, refer to Plan Identification Information.

## Pre-Estimate

If your dental treatment is expected to cost more than \$200 for preventive, basic or major services, a pre-estimate of

dental benefits is recommended. A pre-estimate is filed like a claim and provides you with an overview of the costs of your treatment and the amounts the plan will pay. A pre-estimate should be submitted before treatment begins and include required supporting documentation.

Your dentist or specialist must bill for the exact services pre-estimated, unless you make a request for additional services.

## **Disputed Claims Procedure**

If your claim is denied in whole or in part for any reason, either you or your authorized representative can request the claim be reviewed by calling customer care or by submitting a written request to the HealthChoice Appeals Unit at the address listed below within 180 days of your receipt of a denial.

HealthChoice Appeals Unit  
P.O. Box 3897  
Little Rock, AR 72203

Please follow the steps below to make sure that your appeal at any level is processed in a timely manner:

- If applicable, send a copy of any letter regarding a decision of your appeal.
- Send a copy of the EOB with any relevant additional information (e.g., benefit documents, medical records, etc.) that could help to determine if your claim is covered under the plan.
- Provide a letter summarizing the request for reconsideration that includes your name, the claim or transaction numbers, HealthChoice member ID number, the name of the patient and their relationship to member.

- Include “Attention: Appeals Unit” on all supporting documents. Be certain the member ID appears on each document.
- If you choose to designate an authorized representative, you must provide this designation to us in writing.
- If your situation is medically urgent, you may request an expedited appeal, which is generally be conducted within 72 hours. If you believe your situation is urgent, follow the instructions above for filing an internal appeal and also call customer care to request a simultaneous external review.

Your HealthChoice plan’s internal appeals process includes two internal review levels. If you are not satisfied with the final internal review determination due to denial of payment, coverage or service requested, you may be able to ask for an independent, external review of our decision by either an independent review organization or a grievance panel. The entity that performs the external review depends on the nature of your appeal.

When considering complaints by insured members, the three-member grievance panel shall determine by a preponderance of the evidence whether EGID has followed its statutes, rules, plan documents, policies and internal procedures. The grievance panel shall not expand upon or override any EGID statutes, rules, plan documents, policies and internal procedures.

In order to request access to and copies of all documents, records and other information about your claim, free of charge, or to find out how to start an external review, contact customer care.

## Subrogation

Subrogation is the process through which HealthChoice has the right to recover any benefit payments made to you or your dependents by a third party's insurer because of an injury or illness caused by the third party. Third party means another person or organization.

Subrogation applies when you are sick or injured as a result of the negligent act or omission of another person or party. If you or your covered dependents receive HealthChoice benefits and have a right to recover damages, this plan has the right to recover any benefits paid on your behalf. All payments from a third party, whether by lawsuit, settlement or otherwise, must be used to repay HealthChoice.

If you are asked to provide information about the injury or accident to the HealthChoice subrogation administrator at the law firm of McAfee & Taft, any related claims are pended until you have supplied the necessary information.

For the subrogation administrator's contact information, refer to Plan Identification Information.

## General Provisions

### Provider-Patient Relationship

You can choose any provider or practitioner who is licensed or certified under the laws of the state in which they practice, and who is **recognized by the plan**. Each provider offering dental care services is an independent contractor. Providers retain the provider-patient relationship with you and are solely responsible to you for any dental advice and treatment or subsequent liability resulting from that advice or treatment.

Although a provider recommends or prescribes a service or supply, this does not necessarily mean it is covered by the plan.

## **Intentional Misrepresentation**

Coverage obtained by means of intentional misrepresentation of material fact is canceled retroactive to the effective date, and premiums you paid for coverage are refunded. Refunded premiums are reduced by any claims paid by HealthChoice.

## **Confirmation Statements and Corrections to Benefit Elections**

When a change is made to your coverage, you are mailed a confirmation statement, which lists your coverage and the effective date and premium amount for your coverage. It is provided so you can review changes and identify errors as soon as possible.

If you find errors to your benefit elections, you should submit corrections within 60 days. Current employees must submit corrections to their insurance/benefits coordinator and former employees must submit corrections directly to EGID. Corrections reported after 60 days are effective the first of the month following notification.

## **Member Audit Program**

Despite your provider's best efforts, the complexity of arranging for your care and treatment may result in inaccurate billing, so it is important to check your bill carefully. If you discover certain mistakes in your bill, you can share in the savings through the Member Audit Program. You can

receive up to 50 percent of any savings resulting from a billing error you find, limited to a maximum reimbursement of \$200 per incident/\$500 per year, per member or family. Please note that the error must have impacted the actual benefit amount paid by at least \$50.

Eligible errors include charges for services not provided or charges that are billed incorrectly. Billing mistakes such as transposed numbers, addition mistakes and misplaced decimals are not eligible for the program. Only charges for services covered by the plan are eligible.

If you find an error on a dental bill and you wish to participate in the Member Audit Program, you can call the EGID toll-free hotline at 866-381-3815, email a message to **EGID. antifraud@omes.ok.gov**, or send a report in writing to:

EGID Compliance Officer  
3545 NW 58th St., Ste. 600  
Oklahoma City, OK 73112

## Right of Recovery

HealthChoice retains the right to recover any payments made by the plan in excess of the maximum allowable fees. HealthChoice has the right to recover such payments, to the extent of excess, from one or more of the following:

- Any persons to, or for, or with respect to whom such payments were made.
- Any other insurers.
- Service plans or any other organizations.

# Eligibility and Effective Dates

You are eligible to participate in the HealthChoice Dental Plan if you are:

- A current **education** employee eligible to participate in the Oklahoma Teachers' Retirement System and working a minimum of four hours per day or 20 hours per week.
- A current **State of Oklahoma, local government or certain nonprofit** employee regularly scheduled to work at least 1,000 hours a year and not classified as a temporary or seasonal employee.
- A person elected by popular vote, (e.g., board members for education and elected officials of state and local government, state employees, and rural water district board members), county election board secretaries, and any employee otherwise eligible who is on approved leave without pay, not to exceed 24 months.

## New Employee

As a new employee, your coverage is effective the first day of the month following your employment date or the date you become eligible with your employer. If you want to make changes to the coverage you initially elected, you have a 30-day window following your eligibility date to make benefit changes. These changes are effective the first day of the month following the date the changes are made.

**Note:** No orthodontic benefits are available to members and dependents during the first 12 consecutive months of coverage. This does not include orthodontic services for TMD if the member is 19 or older. Refer to Limitations in the Exclusions and Limitations section.

## Dependent Coverage

You must be enrolled in a group health plan in order to enroll yourself and your dependents in the HealthChoice Dental Plan. If dependent coverage is elected, all of your eligible dependents must be covered. Refer to Excluding Dependents from Coverage in this section for exceptions to this rule.

If you are enrolled and have a new dependent as a result of marriage, birth, adoption or placement for adoption, you can enroll your dependent provided you request enrollment within 30 days following the marriage, birth, adoption or placement for adoption. All other enrollments must be made during the annual Option Period and some limitations may apply. Refer to the Exclusions and Limitations section.

**Note:** Former employees can make changes only within 30 days of a qualifying event. Dependents or new benefit plans, other than vision, cannot be added during the annual Option Period.

If your spouse is also a primary member of the HealthChoice Dental Plan through their employer, dependent children can be covered under either parent's dental plan, provided the parent is also enrolled. Dependent children cannot be covered under both parents' dental plans.

## Eligible Dependents

Eligible dependents include:

- Your legal spouse (refer to common-law marriages in this section).
- Your daughter, son, stepdaughter, stepson, eligible foster child, adopted child or child legally placed with you for adoption up to age 26, whether married or

unmarried. **Note:** Plan coverage which terminates upon the dependent's 26th birthday will terminate at the end of the month in which the birthday occurs.

- Your dependent, regardless of age, who is incapable of self-support due to a disability that was diagnosed prior to age 26. A Disabled Dependent Assessment form must be submitted at least 30 days prior to the dependent's 26th birthday. The Disabled Dependent Assessment form must be approved by EGID before coverage begins or is extended beyond age 26.
- Other unmarried children up to age 26 who live with you and for whom you are primarily responsible. This requires completion of an acceptable Application for Coverage for Other Dependent Children. A tax return showing dependency can be provided in lieu of the application.

**Common-law marriages** are recognized by the plan. A new employee can add a common-law spouse at the time of enrollment. A current employee can request coverage on a common-law spouse during the annual Option Period or in the event the common-law spouse loses other group coverage. To enroll a common-law spouse, the employee and spouse must sign and submit an enrollment or change form.

**Note:** A former employee can add a common-law spouse only if the common-law spouse loses other group dental coverage.

### **Adding a newborn to coverage:**

- Newborns must be added the first of the month of the child's birth. You have 30 days from the date of birth to enroll a newborn in coverage. An Insurance Change Form must be completed and submitted to your insurance/benefits coordinator or EGID.

- Premiums must be paid for the full month of the child's birth.
- When one or more eligible dependents are currently covered, a newborn must be added to the same coverage, unless there is proof of other health coverage.
- When a newborn is added to coverage, all other eligible dependents must be enrolled in coverage if they are not already enrolled; however, you can elect to exclude your spouse from dental coverage.
- You can request coverage for a newborn grandchild by completing an Application for Coverage for Other Dependent Children. Coverage for a grandchild is retroactive to the first of the month of birth following the receipt and approval of an application and payment of premiums. After 30 days, a retired member cannot add a newborn to coverage without a qualifying event.
- A Social Security number for the newborn is not required at the time of initial enrollment, but must be provided when it is received from the Social Security Administration. Current employees must provide the number to their insurance/benefits coordinator. Former employees must provide it to EGID.

## Coverage for Other Eligible Dependents

When you have not been granted custody, adoption or guardianship by a court and the dependent is not your natural child or stepchild, you can request coverage for other unmarried dependents up to age 26 by submitting an enrollment or change form and a copy of the portion of your most recent income tax return listing the children as dependents for income tax deduction purposes. Current employees must submit the form and tax return to their

insurance/benefits coordinator, and former employees must submit these documents to EGID.

In the absence of a federal income tax return listing the children as dependents, you must provide and have an approved Application for Coverage for Other Dependent Children as specified by the plan.

Coverage for other eligible dependents begins on the first day of the month following the date you obtain physical custody or date the Application for Coverage for Other Dependent Children is approved and never applies retroactively, except in the case of a newborn. Coverage for a newborn is effective the first day of the month of birth.

You must request coverage within 30 days of the date of initial placement, otherwise:

- Current employees cannot add dependents to coverage until the next annual Option Period.
- Former employees cannot add dependents to coverage at any future date.

**Note:** You must meet all eligibility requirements, cover all eligible dependents and pay all premiums.

The plan has the right to verify the dependent status of children, request copies of the portion of your most recent income tax return listing the children as dependents and discontinue coverage for dependents who are deemed ineligible for coverage.

## Legal Adoption

An adopted dependent is eligible for coverage the first day of the month you obtain physical custody of your child. You must submit an enrollment or change form, including a copy

of your adoption papers. Current employees must submit the paperwork to their insurance/benefits coordinator and former employees must submit their paperwork directly to EGID. In the absence of adoption papers or other court records, someone involved in the adoption process, such as your attorney or a representative of the adoption agency, must provide proof of the date you actually received custody of your child pending the final adoption hearing.

You must request coverage within 30 days of the date of the initial placement for adoption, otherwise:

- Current employees cannot add dependents to coverage until the next annual Option Period.
- Former employees cannot add dependents to coverage at any future date.

## **Legal Guardianship**

Legal guardianship follows the same guidelines as an adoption. Refer to Legal Adoption in this section.

## **Excluding Dependents from Coverage**

Any of your eligible dependents can be excluded from coverage if they have other group coverage or are eligible for Indian Health Services or military benefits. You can exclude your eligible dependent children who do not reside with you, are married, or are not financially dependent on you for support.

You can also exclude your spouse from dental coverage. If you exclude your spouse and cover other eligible dependents, your spouse must sign the Spouse Exclusion Certification section of your enrollment or change form.

## Changes to Coverage After Initial Enrollment

If you declined enrollment in the HealthChoice Dental Plan because you had other group dental insurance coverage or Indian Health Services or military dental benefits, you can enroll:

- Within 30 days of the date you lose other group dental coverage.
- During the annual Option Period.

Certain qualifying events allow a midyear benefit change; however, an enrollment or change form must be completed within 30 days of the qualifying event. Examples of midyear qualifying events include:

- A change in your legal marital status, such as marriage, divorce or death of your spouse.
- A change in the number of your dependents, such as the birth of a child.
- A change in employment status that affects your eligibility or that of your spouse or dependent.
- An event that causes your dependent to meet, or fail to meet, eligibility requirements.
- Commencement or termination of adoption proceedings.
- Judgments, decrees or orders (your employer may allow changes only to health and dental).
- Medicare eligibility for you or a dependent.
- Medicaid eligibility for you or a dependent; only two changes are allowed per plan year, once out and once back in or vice versa.
- Changes in the coverage of your spouse or dependent under another employer's plan.

- Eligibility for leave under the *Family Medical Leave Act*.
- The *Uniformed Services Employment and Reemployment Rights Act of 1994*.

To request special enrollment or obtain more information, current employees contact your insurance/benefits coordinator. Former employees contact EGID Member Services. For contact information, refer to Plan Identification Information.

## Current Employees

You can make changes to coverage only within 30 days of a qualifying event or during the annual Option Period.

All changes to coverage must be in compliance with the rules of your employer's Section 125 plan, or if no 125 plan is offered, in compliance with allowed midyear coverage changes as defined by Title 26, Section 125, of the Internal Revenue Codes (as amended) and pertinent regulations. Current employees must contact their insurance/benefits coordinator and complete an enrollment or change form.

## Former Employees and Surviving Dependents

The only time you can make changes to your **existing** dental coverage is within 30 days of a qualifying event. For example, dependents can be added to your **existing** dental coverage if a qualifying event occurs, but they cannot be added at the annual Option Period. In addition, no new benefit plans, other than vision, can be added at the annual Option Period after retirement.

Former employees and surviving dependents must submit a written request for changes in coverage to:

Office of Management and Enterprise Services  
Employees Group Insurance Division  
3545 NW 58th St., Ste. 600  
Oklahoma City, OK 73112

Requests for changes can also be faxed to 405-717-8939.  
Verbal requests for changes in coverage are not accepted.

**Note:** Oklahoma law prohibits dropping your spouse/dependents if you are in the process of a divorce or legal separation at any time. If you are in the process of separation or divorce, it is important that you contact your legal counsel for advice before making any changes to your coverage.

## Options for Current Employees Called to Active Military Service

Under the *Uniform Services Employment and Re-employment Rights Act* of 1994 (USERRA), coverage can be continued for up to 24 months. USERRA provides certain rights and protections for all employees called to serve our nation. All branches of the military, all military reserve units and all National Guard units come under USERRA.

In addition to dental care provided by the military, you have the following four choices regarding your current coverage:

- Retain all coverage. Your current employer is responsible for collecting and forwarding all premiums to EGID.
- Discontinue member coverage but retain dependent coverage. This is the COBRA option and dependents are billed directly at 102 percent of premiums, the COBRA rate, for health, dental and vision coverage.

Under COBRA rules, life insurance cannot be retained.

- Discontinue all coverage except life insurance. You are billed directly.
- Discontinue all member and dependent coverage.

Each month, you must pay the full premium for the coverage you selected. Failure to pay premiums timely can result in the termination of coverage at the end of the month for which the last full premium was received. There is no penalty for renewing coverage upon discharge from active duty if coverage is elected within 30 days of your return to the same employment.

Regardless of whether you receive written or verbal military orders, EGID staff and your insurance/benefits coordinator will assist you in making any benefit arrangements. If you are a member of a military reserve unit or the National Guard and anticipate being called to active service, notify your insurance/benefits coordinator at work.

## **Leave Without Pay — Current Employees**

If you are on approved leave without pay through your employer, you can continue coverage for up to 24 months from the day you begin leave without pay status. You must make timely premium payments in full each month to your insurance/benefits coordinator.

If your coverage terminates for failure to pay premiums on time, you can re-enroll upon returning to work.

If you take leave under the *Family Medical Leave Act*, please make premium payment arrangements with your employer before you take leave.

# Continuing Coverage After Leaving Employment

If you leave employment, you and/or your eligible dependents may be able to begin or continue coverage through one of the following options:

- Vesting or retirement rights through a state-funded retirement system established by the State of Oklahoma.
- Years of service with state, education or local government employers; refer to Years of Service in this section.
- Receiving benefits through the HealthChoice Disability Plan administered by EGID.
- Survivor Rights for your covered dependents in the event of your death.
- COBRA.

Each month, premiums must be paid in full. Failure to pay premiums on time can result in the termination of coverage at the end of the month for which the last premium was received.

## Years of Service

You can begin or continue coverage after leaving employment if you make an election within 30 days following your employment termination date, and you meet one of the following conditions:

- You are eligible to participate in the Oklahoma Public Employees Retirement System and have eight or more years of service with a participating employer.
- You are an employee of a local government employer

that participates in the plan but does not participate in the Oklahoma Public Employees Retirement System, and have eight or more years of creditable service.

- You are eligible to participate in the Oklahoma Teachers' Retirement System and have 10 or more years of service with a participating employer.
- You are an employee of an education employer that participates in the plan but does not participate in the Oklahoma Teachers' Retirement System, and have 10 or more years of creditable service.

## Education Employees

If you were a career tech employee or a common school employee who terminated active employment on or after May 1, 1993, you can continue coverage through the plan as long as the school system from which you retired or vested continues to participate in the plan. If your former school system terminates coverage under the plan, you must follow your former employer to its new insurance carrier.

If you were an employee of an education entity other than a common school (e.g., higher education, charter school, etc.), you can continue coverage through the plan as long as the education entity from which you retired or vested continues to participate in the plan. If your former employer terminates coverage with the plan, you must follow your former employer to its new insurance carrier.

**Note:** You cannot reinstate coverage that you discontinue or allow to lapse unless you return to work as an employee of a participating employer. Refer to Reinstatement in the Termination or Reinstatement of Coverage section.

## Local Government Employees

If you were a local government employee who terminated active employment on or after Jan. 1, 2002, you can continue coverage through the plan as long as the employer from which you retired or vested continues to participate in the plan. If your former employer terminates coverage with the plan, you must follow your former employer to its new insurance carrier.

**Note:** You cannot reinstate coverage you discontinue or allow to lapse unless you return to work as an employee of a participating employer. Refer to Reinstatement in the Termination or Reinstatement of Coverage section.

Some reinstatement exceptions may apply if you are a state employee who terminated employment as a result of a reduction in force. Refer to State Government Reduction In Force and Severance Benefits Act in the Termination or Reinstatement of Coverage section.

## New Employer Retirees

All retirees with former employers that joined the plan after the specified grandfathered dates must follow their former employer to its new insurance carrier.

## Following Your Employer to a New Carrier

When you terminate employment, your benefits are tied to your most recent employer. If your employer discontinues participation with EGID, some or all of the employer's retirees and their dependents (depending on the type of employer) must follow the employer to its new insurance carrier. This is true regardless of the amount of time you were employed with any participating employer.

If you retire and then return to work for another employer and enroll in benefits through your new employer, your benefits are tied to your new employer.

## Continuation through the Disability Program

You can keep dental coverage in effect if you are receiving benefits through the HealthChoice Disability Plan. You can continue coverage as long as you are covered under the HealthChoice Disability Plan and pay premiums on time. You must maintain continuous coverage. If you discontinue coverage or allow coverage to lapse, it cannot be reinstated unless you return to work as an employee of a participating employer. Refer to Reinstatement in the Termination or Reinstatement of Coverage section.

## Survivor Rights

Your surviving spouse and dependents have 60 days following your death to notify EGID that they wish to continue coverage. Coverage is effective the first day of the month following your death.

- Your surviving spouse is eligible to continue insurance coverage indefinitely as long as premiums are paid.
- Surviving dependent children are eligible to continue coverage until age 26 as long as premiums are paid.
- Disabled dependent children are eligible to continue coverage as long as they continue to meet the HealthChoice definition of a disabled dependent and premiums are paid.

**Note:** COBRA continuation of coverage is available for dependent children who lose eligibility.

## COBRA

If your or your dependent's coverage is terminated for any of the reasons listed below, each covered member has the right to elect temporary continuation of coverage under the *Consolidated Omnibus Budget Reconciliation Act*.

You are eligible to continue coverage for up to 18 months if you lose coverage due to:

- A reduction in your hours of employment.
- Termination of your employment for reasons other than gross misconduct.

Your covered **spouse** is eligible to continue coverage if coverage is lost due to:

- Your death (refer to Survivor Rights in this section).
- Termination of your employment for reasons other than gross misconduct.
- A reduction in your hours of employment resulting in loss of coverage.
- A divorce or legal separation.\*

Your covered **dependent children** are eligible to continue coverage if coverage is lost due to:

- Your death (refer to Survivor Rights in this section).
- Termination of your employment for reasons other than gross misconduct.
- A reduction in your hours of employment resulting in loss of coverage.
- A divorce or legal separation of the parents.\*
- Your dependent no longer meets the requirements for dependent status.

\*Oklahoma law prohibits dropping your spouse/dependents if you are in the process of a divorce or legal separation at any time. It is important you contact your legal counsel for advice before attempting to make changes to your coverage.

If you are a **current employee**, it is your responsibility to notify your employer within 30 days of a divorce, legal separation or your child's loss of dependent status under this plan.

If you are a **former employee**, you must notify EGID in writing within 30 days of a divorce, legal separation or your child's loss of dependent status under this plan.

You and/or your eligible dependents must elect continuation of coverage within 60 days after the later of the following events occur:

- The date the qualifying event would cause you and/or your dependents to lose coverage.
- The date your employer notifies you and/or your dependents of continuation of coverage rights.

If the qualifying event is related to termination of employment or reduced hours, coverage can be continued for a maximum of 18 months. If the qualifying event is for any other eligible reason, coverage for dependents can be continued for a maximum of 36 months. Continuation of coverage terminates immediately for you and/or all covered dependents under the following circumstances:

- The plan ceases to provide coverage.
- Premiums are not paid on time.
- You and/or your dependents become covered under another group dental plan.

**If you have questions regarding COBRA, contact your insurance/benefits coordinator or EGID.**

If you continue coverage under COBRA, an extension of the maximum period of coverage may be available if a qualified beneficiary is disabled or a second qualifying event occurs. You must notify EGID of a disability or second qualifying event in order to extend the coverage continuation period. Failure to provide timely notice of a disability or second qualifying event can affect your right to extend the coverage continuation period.

## **Termination or Reinstatement of Coverage**

### **Termination**

Your coverage, as well as any dependent coverage, ends on the last day of the month when one or more of the following events occur:

- You terminate employment with a participating employer and do not continue coverage through vesting, non-vest, retirement, disability or COBRA.
- You do not pay premiums.
- The plan is terminated.
- Your death occurs.

In addition, a dependent's coverage ends on the last day of the month they cease to be an eligible dependent. Upon review by EGID, if you or your dependent is found to be ineligible, coverage is terminated effective on the first day of the month of discovery. EGID reserves the right to recover any benefits paid on behalf of an ineligible member.

## Reinstatement

If you are currently employed by a participating employer and discontinue coverage on yourself or your dependents, you cannot apply for reinstatement of coverage for at least 12 months. To reinstate discontinued coverage, you must enroll within 30 days of:

- The expiration of the 12-month waiting period; if coverage is not reinstated within 30 days of the end of the waiting period, you cannot enroll in coverage until the next annual Option Period.
- The loss of other group dental coverage or other qualifying event.

To reinstate coverage, proof of the loss of other group coverage or other qualifying event must be submitted.

Former employees who did not continue coverage upon leaving active employment or who later discontinued coverage must return to work with a participating employer and carry coverage for three years to be eligible to continue that coverage when they re-retire.

## Loss of Coverage While Under Treatment

If you or your covered dependents lose dental coverage while undergoing treatment, the plan still continues to provide benefits for two months following termination of coverage. The plan pays the allowable fees in the following situations according to plan benefits:

- For dentures, denture impressions must be taken before coverage ends.
- For bridgework, crowns and gold restoration, the tooth must be prepared before coverage ends, and

the bridgework, crown or gold restoration must be installed within the extended benefit period.

- For endodontics, including root canal, the tooth has to be opened before coverage ends, and all covered services must be provided and charges must be incurred within the extended benefit period.

## **State Government Reduction In Force and Severance Benefits Act**

You can reinstate dental insurance coverage at any time within two years following the date of the reduction in force from the state if you are a former state employee who:

- Had a vested or retirement benefit based on the provisions of any of the state public retirement systems.
- Was separated from state service as a result of a reduction in force anytime after July 1, 1997.
- Was offered severance benefits pursuant to the *State Government Reduction in Force and Severance Benefits Act*.
