WHAT IS THE OKLAHOMA STATE CHARITABLE CAMPAIGN?
The Oklahoma State Charitable Campaign (SCC) is an annual unified fundraising effort that provides state employees with the opportunity to make donations to their favorite charitable organizations through the convenience of payroll deduction or one-time gifts. The SCC is governed by the Oversight Committee for State Employee Charitable Contributions (OCSECC), which is comprised of seven state employee appointees.

HOW DO I GIVE?
During the annual campaign, all state employees have the opportunity to make charitable contributions via a provided pledge card. All donations, large or small, are welcome and greatly appreciated. We encourage you to consider the many needs in your community and make the most generous gift possible. Through payroll deductions, employees may divide the annual contribution into smaller, regular amounts which are deducted each pay period during the coming calendar year. One dollar per pay period is the minimum deduction for payroll deductions. While payroll deduction is the preferred method, contributions may also be made by check or cash.

WHO CAN I GIVE TO?
This charity guide lists all the eligible charitable federations and their member charities. Through the SCC you may designate your gift to federations or member charities by indicating choices on the pledge card. Each federation and charity is listed separately, with an assigned four-digit charity code (e.g. 1234) that must be used when making a selection to ensure that your contribution reaches the charity or charities you wish to support.

To support a federation and have your gift shared among all of its charities, choose the federation code as it appears preceding the federation name and description. To support an individual charity within a federation, select that charity’s code as it appears preceding the charity name and description. Pledge cards returned with a donation but without charity code numbers will be counted as undesignated donations.

WHAT HAPPENS TO THE UNDESIGNATED DONATIONS?
According to Oklahoma Statutes, undesignated money shall be distributed in the same proportion as designated dollars within the state of Oklahoma.

WHAT IS THE ADMINISTRATIVE RATE FOR THE SCC?
Administrative costs for the 2018 campaign were 10 percent of funds received. These funds provide for campaign materials creation and printing, postage and supplies, Loaned Executive support, coordinator training, campaign recognition and professional staff. All federations share in the administrative costs proportionate to their designations in the campaign.

HOW DO I CONNECT WITH THE CHARITIES?
Throughout the charity guide, you will find the charities’ websites, facebook, and Twitter names. Most member charities can be found with a simple Google search.
Dear Friend,

Thank you for your public service to our great state and for your participation in the annual State Charitable Campaign (SCC). Last year, thanks to your impactful and generous contributions, we were able to raise over $420,000 to help more than 250 organizations strengthen communities across our state.

The organizations that participate in the campaign assist each part of our state by fighting against health and human service issues that many of our fellow Oklahomans face. The SCC not only helps to improve the quality of life for many Oklahomans but also for those assisted by national and international organizations. Some of the great work they do includes providing food to the hungry, educational programs, health assistance to the sick and disaster aid.

This year, we have set a goal of $425,446. Together, I am confident we can reach this goal and ensure that the great progress we have promoted, as a result from previous SCC donations, continues.

Sincerely,
J. Kevin Stitt
Governor

The State Charitable Campaign (SCC) has a vital impact on our community. It runs each fall and gives state employees the opportunity to contribute to accountable and capable charities that do vital work. The charities in the SCC not only help other Oklahomans, but they aid people in need at the national and international levels as well.

In 2018, state employees in central Oklahoma stepped up and beat the SCC’s fundraising goal. This year we have the chance to do it again. I know this can be accomplished with your generous support in helping us to reach our goal of $425,446.

I greatly appreciate your generous backing, and applaud you for your enduring generosity and support of the SCC. With your pledge, you are changing lives and improving our community.

Sincerely,
Matt Pinnell
Lieutenant Governor
2019 State Charitable Campaign Chair
People who suffer from Parkinson's disease, a progressive disease of the nervous system, struggle with movement. With symptoms like tremors, difficulty of speech, and difficulty in walking, Parkinson's can cause sufferers to lose trust in their body's ability to function properly. An SCC member charity is working to give those with Parkinson's disease a revitalized sense of confidence and increased mobility through dance.

Erica Portell has danced her entire life and is now a dance instructor. When her father was diagnosed with Parkinson's, she discovered that music and dancing made a positive improvement on his ability to function. Because of his response to the therapy, she was inspired to create a dance program for those with Parkinson's to reach more Oklahomans with the healing power of dance. Open to the public, the hour-long class is offered weekly at no cost thanks to funding from an SCC Charity.

"When they leave class, every single student shows an increase in basic functions like opening doors and maneuvering, and they have more confidence doing those things because of the trust they have in their bodies," Portell said. "I love seeing the difference between when they leave and when they come into class.”

Karen was married to a man who physically abused her and kept her and her children captive, hidden from the outside world, for more than two decades. The abuse went on throughout the marriage, until one morning Karen awoke to find her husband sitting at the edge of their bed, holding a gun. He told her that he had originally planned to kill her but realized he’d spend his life in prison if he did. So he said he changed his plan to murder/suicide. That incident convinced Karen that it was time to leave. Karen had no idea how much of life she’d missed out on being held hostage from the world. She was learning what was “normal.” A friend told her about an SCC member charity that gave jobs to people with challenges to employment and Karen applied. “They gave me training and put me to work at a job from five to 10 at night.” Later, she transferred to the State Capitol, where she found herself in the midst of a bustling atmosphere. She met many people that inspired her. “I really liked the job. It was probably the first chance I got to be normal,” Karen said. “It gave me hope. It gave me inspiration that I could do this.”

During the longest government shutdown in U.S. history, many federal employees in Oklahoma found themselves being forced to choose between paying bills and purchasing food. In January, two local SCC Federations, the City of Oklahoma City and State Fair Park collaborated to provide a food distribution for federal employees. Several mobile distributions were also provided in communities hit hard by the shutdown. The food and household supplies helped to ease the anxiety of nearly 1,000 federal workers who didn’t know where to turn for assistance.

“I’m very appreciative of the help. I’ve been reporting to work every morning at 4 a.m. and not getting paid,” said Tim, a federal employee. “I don’t know where to start; I have never had to do this before.”

In February of 2010 we received a phone call about the need for a foster care placement of a baby. The sweet baby girl arrived at our home a few hours later. Before her very first Christmas with us we were surprised when an OKDHS worker showed up with a bag of gifts from an SCC member charity, inside was an adorable dress and a toy phone. More than the gift itself, it was such a blessing to know others in the community wanted to help these children in some way. The support that present brought was so much more than the gift itself. It confirmed that we lived in a community that cared. The baby girl, Lavender, is now adopted by us. She loves to fish with Dad!
THROUGH THE SCC, YOU MAY GIVE TO CHARITIES IN COMMUNITIES THROUGHOUT OKLAHOMA.

SCC districts are numbered on the map. To support charities in a district, designate the area of your choice using their four-digit code.
