

DEPENDENT INFORMATION

NOTE: If you and/or your dependents are eligible for Medicare, an additional application must be completed. Please contact EGID Member Services to request an application. You cannot add dependent life if you do not already have it. The dependent life amount must be the same for each child, though the amount for your spouse can be different.

Retirement information can be found at www.omes.ok.gov.

You can carry health, dental, vision and life insurance on yourself and your dependents.

The health, dental and life coverage you take into retiree/vested/non-vested status is the only coverage you can have with EGID through your retirement years. If you do not keep coverage now, you cannot add it later. Plan changes can be made during the annual Option Period.

If you are insuring one dependent, you must insure all eligible dependents (for any given coverage) unless they are covered by other group insurance, or Indian or military benefits. Children who have Indian or military benefits or other group insurance may be required to show proof of coverage.

Following your retirement, dependents can be added only within 30 days of one of the following events: birth, adoption or guardianship, marriage or loss of other group insurance.

***DEFER INSTRUCTIONS:** If your spouse has separate coverage through EGID at the time you terminate employment, you can transfer your individual health, dental and/or vision coverage to dependent coverage under your spouse's coverage. Your spouse must contact their employer to add you as a dependent. You must elect to transfer coverage within 30 days of your termination of employment. Any 30-day break in coverage voids your eligibility to keep coverage in the future. Life insurance cannot be deferred and must be carried as a primary retiree/vested/non-vested member. When you are ready to return to retiree/vested/non-vested status, you must again complete this form and mark the box on page 1 of your form to cancel your deferment.

THINGS TO CONSIDER AS A RETIREE WHEN YOU BECOME MEDICARE ELIGIBLE

IMPORTANT: If you are under age 65 and eligible for Medicare, you must notify EGID and provide your Medicare Number as it appears on your Medicare card. Medicare supplement coverage is effective the date you become eligible for Medicare, or the first day of the month following notification of your Medicare eligibility, whichever is later.

When you turn age 65, if you are enrolled in HealthChoice pre-Medicare health coverage, you will be eligible to enroll in a HealthChoice SilverScript Medicare Supplement Plan. If you are enrolled in BlueLincs HMO, you will be eligible to enroll in the Blue Cross Blue Shield of Oklahoma (Medicare Supplement plan). If you are enrolled in another HMO, you will be eligible to enroll in their Medicare Advantage Prescription Drug (MA-PD) plan, if available.

All MA-PD plans offered through EGID require you to have both Medicare Part A and Medicare Part B.

If you are eligible and do not enroll in Medicare Part B, there are three plans available to you: HealthChoice SilverScript High Option Medicare Supplement Plan and HealthChoice SilverScript Low Option Medicare Supplement Plan or Blue Cross Blue Shield of Oklahoma. All medical benefits under these plans are paid as if you are enrolled in both Medicare Part A and Part B. If you are not enrolled in Medicare Part B, your plan will estimate Medicare's benefits and provide supplemental coverage as if Medicare is the primary carrier. This means HealthChoice or Blue Cross Blue Shield of Oklahoma pays secondary and you are responsible for the primary share of the claim.

If you didn't enroll in Part B when you first became eligible, your monthly premium amount for Part B may be higher due to a late enrollment penalty. The Part B premium is separate from your HealthChoice or Blue Cross Blue Shield of Oklahoma premium.
