This health handbook replaces and supersedes any health handbook the Office of Management and Enterprise Services Employees Group Insurance Division previously issued. This health handbook will, in turn, be superseded by any subsequent health handbook OMES issues. The most current version of this health handbook can be found by going to www.healthchoiceconnect.com.

NOTICES

PLEASE READ THIS HANDBOOK CAREFULLY

The Office of Management and Enterprise Services Employees Group Insurance Division provides health care benefits to eligible state, education and local government employees, former employees, and their dependents in accordance with the provisions of O.S. 74 (2012) §§ 1301, et seq.

The information provided in this handbook is a summary of the benefits, conditions, limitations and exclusions of the HealthChoice High, High Alternative, Basic and Basic Alternative Plans and High Deductible Health Plan (referenced herein as plan or plans). It should not be considered an all-inclusive listing. All references to you and your relate to the plan member.

- Plan benefits are subject to conditions, limitations and exclusions, which are described and located in Oklahoma statutes, handbooks and Administrative Rules adopted by the plan administrator. You can obtain a copy of the official Administrative Rules from the Office of the Oklahoma Secretary of State. An unofficial copy of the rules is available on the EGID website at omes.ok.gov. In the menu bar under Services, select Employees Group Insurance Division. Under Resources, select About EGID, then select Administrative Rules.
- A dispute concerning information contained within any plan handbook or any other written materials, including any letters, bulletins, notices, other written document or oral communication, regardless of the source, shall be resolved by a strict application of Administrative Rules or benefit administration procedures and guidelines as adopted by the plan. Erroneous, incorrect, misleading or obsolete language contained within any handbook, other written document or oral communication, regardless of the source, is of no effect under any circumstance.

INFORMATION AVAILABLE ONLINE

THE HEALTHCHOICE PROVIDER NETWORK

You can seek care from a network provider or a non-network provider; however, the amount you are responsible for paying is greatly increased when you use a non-network provider. With a statewide and multistate network of more than 22,000 physicians, hospitals and other health care professionals and facilities, the HealthChoice Provider Network is one of the largest in Oklahoma.

Finding a HealthChoice Network Provider

You can find a HealthChoice network provider by going to www.healthchoiceconnect.com.

You can also contact Customer Care to find a network provider. A Customer Care member advocate can give you the names of network providers in your area.

If you are unable to locate a HealthChoice network provider in your area, you can nominate a provider for participation by completing the online provider nomination form or contacting EGID Member Services.

Refer to HealthChoice Plan Contact Information.

Importance of Selecting a HealthChoice Network Provider

Network providers are contracted with HealthChoice and have agreed to accept HealthChoice allowable amounts for the services and equipment they provide. Network providers have agreed not to bill you for charges that are greater than allowable amounts. You are still responsible for your plan's copays, deductibles, coinsurance and charges for non-covered services.

Non-network providers are not contracted with HealthChoice and have not agreed to accept allowable amounts. This means you are responsible for paying the difference between the amount the provider bills and allowable amounts. This process, known as balance billing, can

be a large amount of money out of your own pocket. Even after you reach your plan's out-of-pocket maximum, you are still responsible for all amounts above allowable amounts when you use non-network providers.

HealthChoice Select Program

HealthChoice Select is available to any HealthChoice health plan member and provides specified medical services at no cost to the member. If you have one of the qualifying HealthChoice Select procedures done at a participating HealthChoice Select facility for that procedure, there is no copay, deductible or coinsurance applied. **Note:** High Deductible Health Plan members must meet their annual deductible before they are eligible to have any costs waived (unless the service is considered preventive). However, since HealthChoice Select facilities accept one consolidated bundled payment for certain procedures at a reduced rate, HDHP members can still save by utilizing a Select facility for one of these procedures.

In addition to offering these services at no cost to you, HealthChoice will also pay you a \$100 incentive payment when you have a qualifying colonoscopy or sigmoidoscopy at a Select participating facility. **Note:** HealthChoice will pay High Deductible Health Plan members who have a qualifying **preventive** colonoscopy or sigmoidoscopy done at a participating Select facility \$100 even if your deductible hasn't been met.

If HealthChoice is not the primary payer, the Select benefit does not apply.

To find out what other procedures qualify under the HealthChoice Select program and which network facilities throughout Oklahoma are participating for those procedures, go to www.healthchoiceconnect.com. HealthChoice Customer Care member advocates are also available to help guide you through the HealthChoice Select process and ensure that all members have a positive, beneficial experience. Refer to HealthChoice Plan Contact Information.

HEALTHCHOICE HIGH AND HIGH ALTERNATIVE PLANS

Plan Features

If you use the HealthChoice medical or pharmacy provider networks, you are responsible for:

- Office visit copays.
- Calendar year deductibles.
- Coinsurance.
- Calendar year out-of-pocket maximum.

Calendar Year Deductible

No member must contribute more than the individual deductible. Once the individual deductible is met, the member shares the cost of services with HealthChoice by paying coinsurance. A family deductible applies when three or more family members are covered and can be met by any combination of the family members. Once the family deductible is met, coinsurance will begin for everyone.

High Plan	High Alternative Plan
Individual deductible \$750	Individual deductible \$1,000
Family deductible \$2,000	Family deductible \$2,750

Copayments

This is the fixed amount you pay for certain services, and they apply before you meet your deductible, but they do not count toward meeting your deductible.

Service	Copay
General physician office visit (network general practitioners, internal medicine physicians, OB/GYNs, pediatricians, physician assistants and nurse practitioners)	\$30
Urgent care (urgent care visits at a network urgent care facility)	\$30
Specialist office visit (network specialist providers)	\$50
Emergency department (network or non-network visit; waived if the patient is admitted to the hospital or if death occurs prior to admission)	\$200
Non-network inpatient admission (non-network hospital/facility admissions; patient is subject to balance billing)	\$300
Preventive services (qualified preventive care office visits and services)	\$0

Coinsurance

You must meet the deductible before coinsurance applies. You are responsible for the cost of all non-covered services regardless of your provider's network or non-network status.

Coinsurance	Network	Non-Network
Member pays	20% of allowable amount	50% of allowable amount*
HealthChoice pays	80% of allowable amount	50% of allowable amount

*Plus, you pay the difference between the amount billed by the provider and the allowable amount.

Calendar Year Out-of-Pocket Maximum

No member contributes more than the individual maximum. Once the individual maximum is met, HealthChoice then pays 100% of the allowed amount for that person. A family maximum applies when three or more family members are covered and can be met by any combination of the family members. HealthChoice then pays 100% of the allowable amounts for covered services for everyone on the plan.

High Plan	High Alternative Plan
Network individual \$3,300	Network individual \$3,550
Network family \$8,400	Network family \$8,400
Non-network individual \$3,800	Non-network individual \$4,050
Non-network family \$9,900	Non-network family \$9,900

Charges That Do Not Count Toward the Out-of-Pocket Maximum

The following charges do not count toward meeting the out-of-pocket maximum and do not qualify for 100% payment after the out-of-pocket maximum is met:

- Amounts above HealthChoice allowable amounts.
- Non-network copays.
- Non-covered services or charges.
- Amounts above maximum benefit limitations.*

*Some services have an annual cap on the dollar amount or the total number of visits that will be covered. After the annual limit is reached, you must pay all associated health care costs for the remainder of the calendar year.

Lifetime Maximum

Per member	No lifetime maximum

HEALTHCHOICE BASIC AND BASIC ALTERNATIVE PLANS

Plan Features

If you use the HealthChoice medical or pharmacy provider networks, you are responsible for:

- Calendar year deductibles.
- Coinsurance.
- Calendar year out-of-pocket maximum.

First Dollar Coverage

For each enrolled member, this is the initial amount that HealthChoice pays towards allowable amounts for network and/or non-network covered services before anything is owed by you. This includes, but is not limited to, amounts for office visits, lab work, X-rays, surgical procedures, hospital admissions, etc. Expenses for non-covered services and any expense over the allowable amount for non-network services do not qualify for first dollar coverage. Once your first dollar coverage limit is reached, you will be responsible for meeting your deductible.

Basic Plan	Basic Alternative Plan
First dollar coverage \$500	First dollar coverage \$250

Calendar Year Deductible

After your first dollar coverage has been met, network and/or non-network allowable amounts for covered services go toward your deductible. No member must contribute more than the individual deductible. Once the individual deductible is met, the member shares the cost of services with HealthChoice by paying coinsurance. A family deductible applies when two or more family members are covered and can be met by any combination of the family members. Once the family deductible is met, coinsurance will begin for everyone.

Basic Plan	Basic Alternative Plan
Individual deductible \$1,000	Individual deductible \$1,250
Family deductible \$1,500	Family deductible \$1,750

Copayments

You have no network copays on the Basic and Basic Alternative plans. You only have one non-network copay of \$300, which is for a non-network hospital/facility inpatient admission.

Coinsurance

You must meet the deductible before coinsurance applies. You are responsible for the cost of all non-covered services regardless of your provider's network or non-network status.

Coinsurance	Network	Non-Network
Member pays	50% of allowable amount	50% of allowable amount*
HealthChoice pays	50% of allowable amount	50% of allowable amount

*Plus, you pay the difference between the amount billed by the provider and the allowable amount.

Calendar Year Out-of-Pocket Maximum

No member contributes more than the individual maximum. Once the individual maximum is met, HealthChoice then pays 100% of the allowed amount for that person. A family maximum applies when three or more family members are covered and can be met by any combination of the family members. HealthChoice then pays 100% of the allowable amounts for covered services for everyone on the plan.

Basic Plan	Basic Alternative Plan
Network and Non-Network	Network and Non-Network
Individual \$4,000	Individual \$4,000
Family \$9,000	Family \$9,000

Charges That Do Not Count Toward the Out-of-Pocket Maximum

The following charges do not count toward meeting the out-of-pocket maximum and do not qualify for 100% payment after the out-of-pocket maximum is met:

- Amounts above HealthChoice allowable amounts.
- Non-network copays.
- Non-covered services or charges.
- Amounts above maximum benefit limitations.*

HEALTHCHOICE HIGH DEDUCTIBLE HEALTH PLAN

Plan Features

If you use the HealthChoice medical and pharmacy provider networks, you are responsible for:

- Calendar year deductible.
- Office visit copays.
- Coinsurance.
- Calendar year out-of-pocket maximum.

Calendar Year Deductible

Only in the HDHP do pharmacy expenses apply towards the deductible.

For families of two or more, the family deductible must be met before benefits for any member will be paid by the plan. The deductible can be met by one individual or any combination of covered family members. Once the family deductible is met by any combination of covered family members, coinsurance and copayments will begin for everyone.

Individual	Family
Deductible \$1,750	Deductible \$3,500

Copayments

This is the fixed amount you pay for certain services, and most copays only apply after you meet your deductible.

Service	Copay
General physician office visit (network general practitioners, internal medicine physicians, OB/GYNs, pediatricians, physician assistants and nurse practitioners)	\$30*
Urgent care (urgent care visits at a network urgent care facility)	\$30*
Specialist office visit (network specialist providers)	\$50*
Emergency department (network or non-network visit; waived if the patient is admitted to the hospital or if death occurs prior to admission)	\$200
Non-network inpatient admission (non-network hospital/facility admissions; patient is subject to balance billing)	\$300
Preventive services (qualified preventive care office visits and services)	\$0

*Applies after deductible is met.

Coinsurance

You must meet the deductible before coinsurance applies. You are responsible for the cost of all non-covered services regardless of your provider’s network or non-network status.

Coinsurance	Network	Non-Network
Member pays	20% of allowable amount	50% of allowable amount*
HealthChoice pays	80% of allowable amount	50% of allowable amount

*Plus, you pay the difference between the amount billed by the provider and the allowable amount.

Calendar Year Out-of-Pocket Network Maximum

No member contributes more than the individual maximum. Once the individual maximum is met, HealthChoice then pays 100% of the allowed amount for that person. A family maximum applies when three or more family members are covered and can be met by any combination of the family members. Network Individual	Network Family
\$6,000 calendar year maximum	\$12,000 calendar year maximum

Charges That Do Not Count Toward the Out-of-Pocket Maximum

The following charges do not count toward meeting the out-of-pocket maximum and do not qualify for 100% payment by HealthChoice after the out-of-pocket maximum is met:

All non-network expenses, including:

- Non-network covered services up to the allowable amount.
- Non-network expenses above the HealthChoice allowable amount.
- Non-network pharmacy charges.
- Non-network pharmacy expenses.
- Non-covered services or charges.
- Amounts above maximum benefit limitations.*

CERTIFICATION

Certification is a review process used to determine if services are medically necessary according to HealthChoice guidelines. Certification is also referred to as prior authorization, precertification or preauthorization. All HealthChoice plans require certification for coverage of specified services. Certification approval does not guarantee benefits. Clinical editing and other plan policies, provisions and criteria apply.

Guidelines

Providers are responsible for obtaining certification. To request certification, your provider must contact Customer Care or go online to www.healthchoiceconnect.com to complete the online request form. For non-urgent services, certification requests must be initiated within three working days prior to the scheduled service. For urgent services, certification must be initiated within one day following the service. Services rendered in an emergency department and/or ambulance are not subject to certification requirements. For more information on the difference between emergency and urgent services, refer to Plan Definitions.

If certification approval is not obtained for services that require it and/or if certification is denied either before or after the services are provided, claims for those services will be denied. For certifications approved after services are provided, a 10% penalty deduction on the allowable amounts may be applied. Network providers are not allowed to impose certification penalties on members or their covered dependents. If you use a non-network provider, you should ensure that the provider obtains certification prior to receiving services. Otherwise, you may be held responsible for paying the full amount (if certification is denied) or the 10% penalty (if applied because of late certification), as well as any billed amounts over allowable amounts (balance billing).

For more detailed information on certification, contact Customer Care. Refer to HealthChoice Plan Contact Information.

EMERGENCY CARE COVERAGE

The term emergency medical condition means a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) so that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy; serious impairment to bodily functions; or serious dysfunction of any bodily organ or part. This is in accordance with section 1867(e)(1)(A) of the Social Security Act (42 U.S.C. 1395dd(e)(1)(A)).

- All related facility and professional emergency department claims and all ambulance transport claims are processed in accordance with your network benefits, regardless of network status. This includes your plan provisions for copays, deductible and coinsurance.
 - You are still responsible for any charges for non-covered services.
 - If you receive services from a non-network provider, you are responsible for charges above the allowable amount if you are billed by the provider (balance billing).
 - There is a \$200 emergency room copay for each emergency department visit under the High plans and the HDHP. The Basic and Basic Alternative plans do not require a \$200 emergency room copay.

- This copay is waived if the patient is admitted or death occurs prior to admission.
- Certification is required for the inpatient admission. Refer to Certification.
- If emergency treatment cannot be provided, and the patient is referred to another emergency room for treatment, the emergency room copay is waived on the emergency room that could not provide treatment.

HealthChoice offers additional assistance and coverage for out-of-state emergency services. To request assistance or additional benefits, call Customer Care. Refer to HealthChoice Plan Contact Information.

PREVENTIVE SERVICES

These are covered services provided for overall health maintenance — such as routine health/wellness exams and tests, vaccinations, well-baby care and well-child care. Health screenings and wellness exams can discover problems you may not know you have. The earlier problems are found, the greater the opportunity for treatment.

HealthChoice covers qualifying preventive care services at 100% of allowable amounts when rendered by a participating network provider. Qualifying coverage may be determined by age, gender or other factors. There may be exceptions, limitations or clinical criteria to qualify for these services at no cost. If you receive services during a preventive care visit other than for qualifying preventive care, you may have to pay for those services.

In addition to Affordable Care Act specific requirements, HealthChoice follows the recommendations of the United States Preventive Services Task Force and The American Academy of Pediatrics Bright Futures recommendations for the basis of coverage and criteria.

For more details on qualifying preventive care services and coverage criteria, you can visit www.healthchoiceconnect.com or contact Customer Care and a member advocate will be happy to assist you. Refer to HealthChoice Plan Contact Information.

Preventive Services

This is not an all-inclusive list. Qualifying coverage criteria may apply.

- Abdominal aortic aneurysm screening.
- Alcohol misuse: screening and counseling.
- Blood pressure screenings.
- BRCA screening/assessment.

- Lung cancer screening.
- Obesity screening.
- Osteoporosis screening.
- Prenatal screenings, services and tests.
- Sexually transmitted infection screening.
- Tobacco use counseling.
- Tuberculosis screening.
- Vaccinations.
- Vision screening (children).

Vaccinations for Adults and Children

Vaccinations, including the vaccine and its administration, are covered under both medical and pharmacy benefits. Qualifying preventive vaccinations are covered at 100% by the plan when using a network pharmacy or medical provider, such as a physician or health department.

HealthChoice covers all CDC-recommended vaccinations through a network pharmacy or provider, such as for shingles, under the preventive services benefits. There may be limitations or qualification criteria for coverage. When using a non-network provider, you are subject to non-network benefits and can be balance billed for amounts above the allowable amounts.

Please note that free-standing ambulatory care clinics located inside pharmacies, grocery stores or supercenters may not be participating network providers, and your services may not be covered at these locations. Always verify network provider status by visiting the HealthChoice website or calling Customer Care. Refer to HealthChoice Plan Contact Information.

The following vaccinations are covered under medical or pharmacy benefits:

- Anthrax.
- Flu.
- Haemophilus influenzae.
- Hepatitis A.
- Hepatitis B.
- Human papillomavirus.
- Influenza A.

- Influenza HD.
- Japanese encephalitis.
- Measles.
- Meningococcal.
- Mumps.
- Pneumococcal.
- Poliomyelitis.
- Rabies (human diploid).
- Rabies (purified chick embryo cell vaccine).
- Rotavirus.
- Rubella.
- Shingrix (shingles).
- Smallpox (vaccinia) vaccine.
- Tetanus booster.
- Tetanus, diphtheria, pertussis.
- Typhoid.
- Varicella.
- Yellow fever.
- Zoster (shingles).

This list is not all-inclusive.

TELEMEDICINE/TELEHEALTH SERVICES

SwiftMD offers medical consults from board certified physicians via telephone or teleconference 24/7 for eligible members. Services include many common and minor illnesses or injuries such as allergies, rashes, fever, flu, pink eye, sinusitis and sore throat. SwiftMD is easy to use and helps prevent unnecessary emergency department/urgent care visits or long waits for doctor appointments. All SwiftMD physicians have a minimum of 10 years of practice experience.

SwiftMD is available to HealthChoice members who are 3 or older. HealthChoice High/High Alternative and Basic/Basic Alternative members receive five visits covered at 100%. After five visits, there is a \$10 per visit service charge fee. For HDHP members, there is a \$45 per visit fee until the deductible has been met. After the deductible has been met, HDHP members will receive five visits covered at 100 percent, and then there will be a \$10 per visit service charge fee.

SwiftMD is available toll-free 833-980-1442 or by visiting [SwiftMD.com](https://www.swiftmd.com).

Other services that include interactive audio and video consults at an originating provider site between a member and a distant site provider may also be covered by HealthChoice.

PHARMACY BENEFITS

The pharmacy benefits of the HealthChoice High, High Alternative, Basic and Basic Alternative Plans and High Deductible Health Plan include the following features:

- Electronic point-of-sale claims processing.
- An extensive pharmacy network.
- Coverage of up to a 90-day supply of medication at mail and retail for the applicable copay.
- Coverage of certain tobacco cessation medications for \$0 copay.

Note: Specific therapeutic categories, medications and/or dosage forms may have more restrictive quantity and/or duration of therapy limitations. Pharmacy benefits are subject to and limited by your physician's orders. Refer to Medications Limited in Quantity in this section.

HealthChoice pharmacy benefits include the following provisions:

Generic medications are preferred medications.

If no generic exists, then a preferred brand-name medication is usually the next least expensive choice.

If you choose a non-preferred medication instead of a preferred medication, you are responsible for the higher non-preferred copay.

If you choose a brand-name medication when a generic is available, you are responsible for the difference in cost, plus the copay.

The cost difference between generic and brand-name medications, non-preferred copays, medications purchased at non-network pharmacies and excluded medications do not count toward your pharmacy out-of-pocket maximum.

Certain medications require prior authorization for coverage. Refer to Pharmacy Prior Authorization in this section.

Ostomy bags and wafers are covered under both medical and pharmacy benefits.

Diabetic supplies, including insulin syringes with needles, testing strips, lancet devices and glucometers are covered under pharmacy benefits; quantity limitations apply.

HealthChoice Pharmacy Network

In Oklahoma, there are more than 930 pharmacies that participate in the HealthChoice pharmacy network. Nationwide, there are nearly 68,000 participating pharmacies. To locate a HealthChoice network pharmacy, go to www.healthchoiceconnect.com or contact the pharmacy benefit manager. Refer to HealthChoice Plan Contact Information.

Network Pharmacy Benefits

Pharmacy deductible – Before benefits are available** for HealthChoice High, High Alternative, Basic and Basic Alternative plan members, the pharmacy deductible of \$100 per individual/\$300 maximum per family must be met. For HDHP members, the combined medical and pharmacy deductible must be met.

**Medications on the HealthChoice Preventive Medication List are not subject to the deductible. Copays apply to the pharmacy out-of-pocket maximum, but not the deductible.

Medication Type	Up to a 30-Day Supply of a Medication	31- to 90-Day Supply of a Medication
Generic	Up to \$10 copay	Up to \$25 copay
Preferred	Up to \$45 copay	Up to \$90 copay
Non-Preferred	Up to \$75 copay	Up to \$150 copay
Specialty	Generic – \$10 copay Preferred – \$100 copay Non-preferred – \$200 copay	Specialty medications are covered only for up to a 30-day supply

All plan provisions apply. Only copays for preferred medications purchased at network pharmacies apply to the annual \$2,500 individual/\$4,000 family pharmacy out-of-pocket maximum family. Some medications are subject to prior authorization and/or quantity limitations. When a generic is available, and you choose a brand-name medication for any reason, you will pay the cost difference between the brand-name medication and the generic plus the brand-name copay.

Non-Network Pharmacy Benefits

Preferred Medication	Non-Preferred Medication
50% of the cost of the medication, plus the dispensing fee.	75% of the cost of the medication, plus the dispensing fee.
All plan provisions apply. Only copays for preferred medications purchased at network pharmacies apply to the annual \$2,500 individual/\$4,000 family pharmacy out-of-pocket maximum.	

When you use a non-network pharmacy, you pay the full amount and submit your claim to the pharmacy benefit manager for reimbursement. Refer to the Claims Procedures section for more information.

Calendar Year Out-of-Pocket Maximum

Network pharmacy	\$2,500 individual/\$4,000 family
Non-network pharmacy	No out-of-pocket maximum
HDHP (combined medical and pharmacy)	\$6,000 individual/\$12,000 family

After meeting the out-of-pocket maximum, the plan pays 100% of the cost of preferred medications purchased at network pharmacies for the remainder of the calendar year.

Note: When a generic is available and you choose a brand-name medication for any reason, you will pay the difference between the brand-name medication and the generic plus the brand-name copay. The brand-generic cost difference does not count toward your pharmacy out-of-pocket maximum and is always your responsibility even after your out-of-pocket maximum is met.

The following charges **do not count** toward your pharmacy out-of-pocket maximum and do not qualify for 100% payment after your out-of-pocket maximum is met:

- Non-network pharmacy purchases.
- Non-preferred medications.
- Cost differences between generic and brand-name medications.
- Non-covered medications.
- Amounts paid by copay assistance programs, manufacturer copay cards or other third parties do not apply toward deductibles or out-of-pocket maximums.

HealthChoice Formulary

The HealthChoice Formulary is a list of medications covered by the plan. To find out how your medications are covered, contact the pharmacy benefit manager. Refer to HealthChoice Plan Contact Information. You can also go to www.healthchoiceconnect.com. Here you can also find lists of commonly prescribed medications, excluded medications with preferred alternatives, and specialty medications.

Your share of the cost of a medication is subject to:

- The cost of the medication.
- Network copays.
- Pharmacy deductible.
- Non-network coinsurance.
- The cost difference between a brand-name and generic medication if a brand-name is purchased when a generic is available.
- Medication quantity limits per copay.

HealthChoice Medication Lists

Following are the medication lists of covered medications. The lists are by therapeutic category and are not all-inclusive. (Generics should be considered the first line of prescribing.) Generic medications are listed in lowercase, branded generics are in upper- and lowercase, and brand-name products are in all uppercase.

These lists are on the HealthChoice website at www.healthchoiceconnect.com.

Preventive Medication List

The HealthChoice Preventive Medication List is a list of generic preventive medications that are not subject to a pharmacy deductible on the HealthChoice plans. Medications on this list will pay at the normal pharmacy copay.

Standard Medication List

The HealthChoice Standard Medication List is a list of commonly prescribed non-specialty medications that are preferred on the HealthChoice plans. This list also contains a summary of preferred alternatives to the non-specialty medications that are excluded from coverage.

Advanced Control Specialty Formulary

The Advanced Control Specialty Formulary is a list of commonly prescribed specialty medications that are preferred on the HealthChoice plans. This list also contains a summary of preferred alternatives to the specialty medications that are excluded from coverage.

Excluded Medication List

The Drug Removal List is a list of specialty and non-specialty medications that have been removed from coverage under the HealthChoice plans. For each excluded medication, preferred alternatives are listed next to the excluded medication.

Generics are Preferred Medications

If your medication is not a generic and does not appear on the HealthChoice Formulary, your options are to:

- Ask your physician to prescribe a preferred medication you can receive at the preferred pharmacy copay.
- Continue with your current non-preferred medication and pay the non-preferred copay.
- Obtain a medical necessity exception if you have specific health problems that require a non-preferred medication. To be considered for this exception, specific criteria must be met and detailed documentation from your physician must justify your request for an exception. The steps to request a medical necessity exception are the same as the steps to request a prior authorization. Refer to Pharmacy Prior Authorization in this section.

Pharmacy Prior Authorization

Pharmacy Prior Authorization is a medical review that is required for coverage of certain medications such as those that:

- Are high cost.
- Are specialty medications.
- Are limited in quantity.
- Have lower cost preferred alternatives.

Follow the steps below to request a prior authorization:

- Have your physician's office call the pharmacy benefit manager. Refer to HealthChoice Plan Contact Information.
- The pharmacy benefit manager will assist your physician's office with completing a prior authorization form.
- If your prior authorization is approved, your physician's office is notified of the approval within 24 to 48 hours. You are also notified in writing.
- If your prior authorization is denied, your physician's office is notified of the denial within 24 to 48 hours. You are also notified in writing.

Types of Prior Authorizations

Traditional Prior Authorization Medications

Traditional prior authorization reviews typically require that specific medical criteria be met before the medication is covered.

Step Therapy Medications

A step therapy prior authorization requires you to first try a designated preferred drug to treat your medical condition before the plan covers another drug for that same condition. Some step therapy medications may also be limited in quantity.

Brand-Name Exceptions and Non-Preferred Medications

A prior authorization for a brand-name or non-preferred drug may be approved when you are unable to tolerate the generic or preferred drug.

All of these reviews follow the same process as described in the Pharmacy Prior Authorization section.

Medications Limited in Quantity

Certain medications are limited in the quantity you can receive per copay based on their recommended duration of therapy and routine use.

If generics are available or become available for brand-name drugs that are limited in quantity, the generics are also limited in quantity. When new medications become available in drug categories that have quantity limits, they will automatically have quantity limits per copay. New drug categories also can become subject to quantity limits throughout the year.

Specialty Medications

Specialty medications are usually high-cost medications that require special handling and extensive monitoring. You must pay a copay for each 30-day fill of a specialty medication. Copays are \$10 for generic medications, \$100 for preferred medications and \$200 for non-preferred medications.

Tobacco Cessation Products

HealthChoice covers the following tobacco cessation medications at 100% when purchased at a network pharmacy:

- Buproban 150mg SA Tabs
- Bupropion HCL SR 150mg Tabs
- Chantix 0.5mg and 1mg Tabs
- Nicotrol 10mg Cartridge
- Nicotrol NS 20mg/m Nasal Spray

HealthChoice covers up to 168 days' supply of a prescription product each calendar year.

Additionally, HealthChoice provides members with over-the-counter nicotine replacement therapy products (patches, gum and lozenges) and telephone coaching at no charge to HealthChoice health plan members. To take advantage of these benefits, call toll-free 800-QUIT-NOW (800-784-8669) and identify yourself as a HealthChoice member. The hours of operation are 7 a.m. to 2 a.m., seven days a week.

Members living outside of Oklahoma call toll-free 866-QUIT-4-LIFE (866-784-8454).

10. Amounts billed for medical and surgical services and supplies in excess of the fee schedule for such services and supplies.
11. Wrongful act or negligence of another when an employee or dependent has released the responsible party, unless subrogation has been waived or reduced in writing in an individual case, solely at EGID's option, and only for good cause.
12. Travel cost related to organ transplants.
13. Charges for injuries resulting from war or act of war (whether declared or undeclared) while serving in the military or an auxiliary unit attached to the military or working in an area of war whether voluntarily or as required by an employer.

CLAIMS PROCEDURES

Claims Filing and Payment

Network

Network providers file your claims for you and payment is automatically made to your provider.

Non-Network

If you use a non-network provider, you may have to file your claims personally. Send your claim to Customer Care. Refer to HealthChoice Plan Contact Information.

Claims should be filed as soon as the services are received and completed. Your claim must be submitted on the appropriate form in order to be processed. Physician services must be billed on a CMS 1500, and hospital and outpatient facility services must be billed on a UB-04. Items such as cash register receipts, pull-apart forms and billing statements are not acceptable. Non-network providers are not required to submit claims on your behalf and may not use the appropriate form. If this occurs, ask if the provider will submit the claim on your behalf using the appropriate form or if they can provide you with a completed form so that you can file the claim yourself.

Non-network claims are usually paid to you; however, you can choose to assign benefits to be paid directly to your provider.

When a valid assignment of benefits to the provider is submitted with your claim, payment is made to the provider. When there is no valid assignment of benefits, payment is made to you, and you are responsible for paying your provider.

Claims Filing Deadline

Claims must be submitted to HealthChoice no later than 365 days following the date of service or date the supply was received. For example, if the date of service is Feb. 1, 2020, the claim is accepted through Feb. 1, 2021.

Claims for Services Outside the United States

If you receive medical treatment, services, supplies or prescription drugs outside the United States, follow these claim procedures:

- Make arrangements to pay for the services or supplies.
- Submit an itemized statement for reimbursement.
- Have claims translated into English with U.S. dollar amounts before you file your claim.
- Convert charges to U.S. dollars using the exchange rates applicable for the date of service.
- File the original claim along with the translation; the plan does not pay any costs for translating claims or medical records.

Itemized bills should be sent to:

HealthChoice
P.O. Box 99011
Lubbock, TX 79490-9011

Allowable amounts are paid in accordance with your plan's non-network benefits. You are responsible for amounts above the allowable amounts.

Coordination of Benefits

You are required to annually verify if you or any of your covered dependents have other medical or pharmacy coverage. You should also notify us anytime you or your covered dependent(s) adds or drops other health insurance. You may complete your verification by registering at www.healthchoiceconnect.com or by calling Customer Care at 800-323-4314. You can also do this when completing the annual Tobacco-Free Attestation. **Failure to verify other insurance coverage will result in denial of claims until verification is completed.**

This process establishes which insurance plan is primary when two plans must work together to pay claims for the same person. Coordinating benefits ensures that the two plans do not pay more than the total amount of the claim, thereby helping to reduce the cost of insurance premiums.

If you have questions about how your pharmacy benefits will be affected by coordination of benefits, contact the pharmacy benefit manager. Refer to HealthChoice Plan Contact Information.

Explanation of Benefits

Each time a claim is processed, Customer Care creates an explanation of benefits that explains how your benefits are applied. Your EOB includes:

- Amount allowed.
- Amount not covered.
- Coinsurance.
- Copay.
- Date of service.
- Deductible.
- Explanation code.
- Provider write-off.
- Provider.
- Total benefits.
- Total billed amount.

Your EOBs are available through HealthChoice Connect at www.healthchoiceconnect.com. If you have difficulty accessing your EOB online, contact Customer Care. Refer to HealthChoice Plan Contact Information.

Claims Requiring Additional Information

If your medical claim requires additional information for processing, your EOB identifies the specific information needed. In some instances, a letter is also sent that explains what information is required to complete claim processing. Your claim is closed until this information is received.

Please be sure to include your member ID number and claim number when returning the requested information. Once the information is provided to Customer Care, your claim is automatically processed. You do not need to resubmit your claim.

Disputed Claims Procedure

If your claim is denied in whole or in part for any reason, either you or your authorized representative can request that the claim be reviewed by submitting a written request to the HealthChoice Appeals Unit at the address listed below within 180 days of your receipt of a denial.

HealthChoice Appeals Unit
P.O. Box 3897
Little Rock, AR 72203

Please follow the steps below to make sure that your appeal at any level is processed in a timely manner:

- If applicable, send a copy of any letter regarding a decision of your appeal.
- Send a copy of the EOB with any relevant additional information (e.g., benefit documents, medical records, etc.) that could help to determine if your claim is covered under the plan.
- Provide a letter summarizing the request for reconsideration that includes your name, the claim or transaction number, HealthChoice member ID number, the name of the patient and their relationship to member.
- Include “Attention: Appeals Unit” on all supporting documents. Be certain the member ID appears on each document.
- If you choose to designate an authorized representative, you must provide this designation to us in writing.
- If your situation is medically urgent, you may request an expedited appeal, which is generally conducted within 72 hours. If you believe your situation is urgent, follow the instructions above for filing an internal appeal and also call Customer Care to request a simultaneous external review.

Your HealthChoice plan’s internal appeals process includes two internal review levels. If you are not satisfied with the final internal review determination due to denial of payment, coverage or service requested, you may be able to ask for an independent, external review of our decision by either an independent review organization or a grievance panel. The entity that performs the external review depends on the nature of your appeal.

When considering complaints by insured members, the three-member grievance panel shall determine by a preponderance of the evidence whether EGID has followed its statutes, rules, plan documents, policies and internal procedures. The grievance panel shall not expand upon or override any EGID statutes, rules, plan documents, policies and internal procedures.

To request access to and copies of all documents, records and other information about your claim, free of charge, contact Customer Care. Refer to HealthChoice Plan Identification.

Subrogation

Subrogation is the process through which HealthChoice has the right to recover any benefit payments made to you or your dependents by a third party or an insurer because of an injury or illness caused by the third party. Third party means another person or organization.

Subrogation applies when you are sick or injured as a result of the negligent act or omission of another person or party. If you or your covered dependents receive HealthChoice benefits and have a right to recover damages, the plan has the right to recover any benefits paid on your behalf. All payments from a third party, whether by lawsuit, settlement or otherwise, must be used to repay HealthChoice. The Make Whole and Common Fund Doctrines do not apply.

Example: While in your vehicle, you are hit by another driver who is at fault. In the accident, you have injuries that require medical attention. HealthChoice processes your medical claims, and when the auto insurance claim is settled, the other driver’s insurance (third party) or

your uninsured/underinsured/med pay motorist policy repays HealthChoice the amounts it paid for your accident-related medical claims. If the third party or an insurer pays you or your dependent directly, you are responsible for repaying HealthChoice.

If you are asked to provide information about the injury or accident to the HealthChoice subrogation administrator at the law firm of McAfee & Taft, any related claims are pended until you have supplied the necessary information. Failure to provide the required information in a timely manner may result in your claim being denied.

Refer to HealthChoice Plan Contact Information.

GENERAL PROVISIONS

Provider-Patient Relationship

You can choose any provider or practitioner who is licensed or certified under the laws of the state in which they practice, and who is **recognized by the plan**. Each provider offering healthcare services and/or supplies is an independent contractor. Providers retain the provider-patient relationship with you and are solely responsible to you for any medical advice and treatment or subsequent liability resulting from that advice or treatment.

Although a provider recommends or prescribes a service or supply, this does not necessarily mean it is covered by the plan.

For information on the types of providers recognized by the plan, contact Customer Care. You can also search the HealthChoice Network Provider at www.healthchoiceconnect.com.

Intentional Misrepresentation

Coverage obtained by means of intentional misrepresentation of material fact is canceled retroactive to the effective date, and premiums you paid for coverage are refunded. Refunded premiums are reduced by any claims paid by HealthChoice.

Confirmation Statements and Corrections to Benefits Elections

When a change is made to your coverage, you are mailed a confirmation statement, which lists your coverage and the effective date and premium amount for your coverage. It is provided so you can review changes and identify errors as soon as possible.

If you find errors to your benefits elections, you should submit corrections within 60 days. Current employees must submit corrections to their insurance/benefits coordinator, and former employees must submit corrections directly to EGID. Corrections reported after 60 days are effective the first of the month following notification.

Member Audit Program

Despite your provider's best efforts, the complexity of arranging for your care and treatment may result in inaccurate billing, so it is important to check your bill carefully. If you discover certain mistakes in your bill, you can share in the savings through the Member Audit Program. You can receive up to 50% of any savings resulting from a billing error you find, limited to a maximum reimbursement of \$200 per incident/\$500 per year, per member or family. Please note that the error must have impacted the actual benefit amount paid by at least \$50.

Eligible errors include charges for services not provided or charges that are billed incorrectly. Billing mistakes such as transposed numbers, addition mistakes and misplaced decimals are not eligible for the program. Only charges for services covered by the plan are eligible. Inpatient hospital and ambulatory surgery center charges are not eligible since billing is not based on individual items.

If you find an error on a medical bill and you wish to participate in the Member Audit Program, you can call the EGID toll-free hotline at 866-381-3815, email a message to EGID.antifraud@omes.ok.gov, or send a report in writing to:

EGID Compliance Officer
3545 N.W. 58th St., Ste. 600
Oklahoma City, OK 73112

Note: No incentives will be provided for pre-deductible expenses for HDHP members unless the service is preventive.

Right of Recovery

HealthChoice retains the right to recover any payments made by the plans in excess of the maximum allowable amounts. HealthChoice has the right to recover such payments, to the extent of excess, from one or more of the following:

- Any persons to, or for, or with respect to whom such payments were made.
- Any other insurers.
- Service plans or any other organizations.

ELIGIBILITY AND EFFECTIVE DATES

You are eligible to participate in the HealthChoice plans if you work for a participating employer and are:

- A current **education** employee eligible to participate in the Oklahoma Teachers' Retirement System and working a minimum of four hours per day or 20 hours per week.
- A current **State of Oklahoma, local government, or certain nonprofit** employee regularly scheduled to work at least 1,000 hours a year and not classified as a temporary or seasonal employee.
- A **person elected by popular vote**, e.g., board members for education and elected officials of state and local government, state employees, rural water district board members, county election board secretaries, and any employee otherwise eligible who is on approved leave without pay, not to exceed 24 months.
- A new employee.

As a new employee, your coverage is effective the first day of the month following your employment date or the date you become eligible with your employer. If you want to make changes to the coverage you initially elected, you have a 30-day window following your eligibility date to make benefits changes. These changes are effective the first day of the month following the date the changes are made.

Dependent Coverage

You must be enrolled in one of the health plans in order to enroll your dependents. If dependent coverage is selected, all of your eligible dependents must be covered. **Note:** Exceptions may apply for COBRA participants and surviving dependents. Refer to Excluding Dependents from Coverage in this section for exceptions to this rule.

If you are enrolled in one of the health plans and have a new dependent as a result of marriage, birth, adoption or placement for adoption, you can enroll your dependent provided you request enrollment within 30 days following the marriage, birth, adoption or placement for adoption. All other enrollments must be made during the annual Option Period.

Note: Former employees can make changes only within 30 days of a qualifying event. Dependents or new benefit plans, other than vision, cannot be added during the annual Option Period.

If your spouse is also a primary member of a HealthChoice health plan through their employer, dependent children can be covered under either parent's health plan, provided the parent is also enrolled. Dependent children cannot be covered under both parents' plans.

Eligible Dependents

Eligible dependents include:

- Your legal spouse (refer to the paragraph on common-law marriages in this section).
- Your daughter, son, stepdaughter, stepson, eligible foster child, adopted child, child for whom you have been granted legal guardianship or child legally placed with you for adoption, up to age 26, whether married or unmarried. **Note:** Plan coverage that terminates upon the dependent's 26th birthday will terminate at the end of the month in which the birthday occurs.
- Your dependent, regardless of age, who is incapable of self-support due to a disability that was diagnosed prior to age 26; subject to medical review and approval of the Disabled Dependent Assessment form, which must be received at least 30 days prior to the dependent's 26th birthday.
- Other unmarried children up to age 26 who live with you and for whom you are primarily responsible. This requires completion of an acceptable Application for Coverage for Other Dependent Children. A tax return showing dependency can be provided in lieu of the application.

Common-law marriages are recognized by the plan. A new employee can add a common-law spouse at the time of enrollment. A current employee can request coverage on a common-law spouse during the annual Option Period or in the event the common-law spouse loses other health coverage.* To enroll a common-law spouse, the employee and spouse must sign and submit an enrollment or change form.

Note: A former employee can add a common-law spouse only if the common-law spouse loses other health coverage.*

*Other health coverage cannot be an excepted benefit. Refer to Excepted Benefits in Plan Definitions.

Adding a newborn to coverage:

- Newborns must be added the first of the month of the child's birth. You have 30 days from the date of birth to enroll a newborn in coverage. An Insurance Change Form must be completed and submitted to your insurance/benefits coordinator or EGID.
- Premiums must be paid for the full month of the child's birth.
- When one or more eligible dependents are currently covered, a newborn must be added to the same coverage, unless there is proof of other health coverage.
- When a newborn is added to coverage, all other eligible dependents must be enrolled in coverage if they are not already enrolled; however, you can elect to exclude your spouse from health coverage.
- You can request coverage for a newborn grandchild by completing an Application for Coverage for Other Dependent Children. Coverage for a grandchild is retroactive to the first of the month of birth following the receipt and approval of an application and payment of premiums. After 30 days, a retired member cannot add a newborn to coverage without a qualifying event.

- A Social Security number for the newborn is not required at the time of initial enrollment, but must be provided when it is received from the Social Security Administration. Current employees must provide the number to their insurance/benefits coordinator. Former employees must provide it to EGID.

Newborn Limited Benefit

A newborn has limited coverage for a routine birth for the first 48 hours following a vaginal delivery or for the first 96 hours following a C-section delivery without an additional premium. There are no benefits for services in addition to a routine hospital stay unless the newborn is enrolled in coverage and premiums are paid for the month of the birth.

Utilizing the Newborn Limited Benefit (NOT adding a newborn to coverage):

- There is no additional premium for the Newborn Limited Benefit.
- The Newborn Limited Benefit is subject to the annual deductible, coinsurance and plan limitations.
- You are responsible for any charges over and above the Newborn Limited Benefit regardless of the facility's network or non-network status.
- Enrollment of other eligible dependents is not required.
- The Newborn Limited Benefit applies only if the mother or father of the newborn is covered under a HealthChoice health plan.

Declining the Newborn Limited Benefit (NOT recommended):

- A Newborn Limited Benefit Waiver must be completed and returned to EGID to exclude a newborn from the Newborn Limited Benefit. To obtain a waiver, current employees should contact their insurance/benefits coordinator and former employees should contact EGID Member Services. Refer to HealthChoice Plan Contact Information.

Coverage for Other Eligible Dependents

When you have not been granted custody, adoption or guardianship by a court and the dependent is not your natural child or stepchild, you can request coverage for other unmarried dependents up to age 26 by submitting an enrollment or change form and a copy of the portion of your most recent income tax return listing the children as dependents for income tax deduction purposes. Current employees must submit the form and tax return to their insurance/benefits coordinator, and former employees must submit these documents to EGID.

In the absence of a federal income tax return listing the children as dependents, you must provide and have approved an Application for Coverage for Other Dependent Children as specified by the plan.

Coverage for other eligible dependents begins on the first day of the month following the date you obtain physical custody or date the Application for Coverage for Other Dependent Children is approved and never applies retroactively, except in the case of a newborn. Coverage for a newborn is effective the first day of the month of birth.

You must request coverage within 30 days of the date of initial placement, otherwise:

- Current employees cannot add dependents to coverage until the next annual Option Period.
- Former employees cannot add dependents to coverage at any future date.

Note: You must meet all eligibility requirements, cover all eligible dependents and pay all premiums.

The plan has the right to verify the dependent status of children, request copies of the portion of your most recent income tax return listing the children as dependents, and discontinue coverage for dependents who are deemed ineligible for coverage.

Legal Adoption

An adopted dependent is eligible for coverage the first of the month you obtain physical custody of your child. You must submit an enrollment or change form, including a copy of your adoption papers. Current employees must submit the paperwork to their insurance/benefits coordinator and former employees must submit their paperwork directly to EGID. In the absence of adoption papers or other court records, someone involved in the adoption process, such as your attorney or a representative of the adoption agency, must provide proof of the date you actually received custody of your child pending the final adoption hearing.

You must request coverage within 30 days of the date of the initial placement for adoption, otherwise:

- Current employees cannot add dependents to coverage until the next annual Option Period.
- Former employees cannot add dependents to coverage at any future date.

Legal Guardianship

Legal guardianship follows the same guidelines as an adoption. Refer to Legal Adoption in this section.

Excluding Dependents from Coverage

Any of your eligible dependents can be excluded from coverage if they have other qualified health coverage or are eligible for Indian Health Services or military health benefits. Excepted benefits do not qualify as other coverage. You can exclude your eligible dependent children who do not reside with you, are married, or are not financially dependent on you for support.

You can also exclude your spouse from health coverage. If you exclude your spouse and cover other eligible dependents, your spouse must sign the Spouse Exclusion Certification section of your enrollment or change form.

Changes to Coverage After Initial Enrollment/HIPAA Special Enrollment Rights

If you are a current employee and declined enrollment in a health plan because you had other individual* or group health insurance coverage, Indian Health Services or military health benefits, you can enroll:

- Within 30 days of the date you lose other coverage.
- During the annual Option Period

*To qualify, the individual coverage cannot be an excepted benefit. Excepted benefits include:

- Benefits that are generally not health coverage.
- Limited scope vision or dental benefits.
- Benefits for long-term care, nursing home care, home health care, or community-based care.
- Coverage for only a specified disease or illness, such as a cancer-only policy, and hospital indemnity or other fixed indemnity insurance.
- Coverage supplemental to Medicare, the Civilian Health and Medical Program of the Department of Veterans Affairs, or TRICARE, or similar coverage that is supplemental to coverage provided under a group health plan.
- Coverage provided under a separate policy, certificate or contract of insurance.

Certain qualifying events allow a midyear benefits change; however, an enrollment or change form must be completed within 30 days of the qualifying event. Examples of midyear qualifying events include:

- A change in your legal marital status, such as marriage, divorce or death of your spouse.
- A change in the number of your dependents, such as the birth of a child.
- A change in employment status that affects your eligibility or that of your spouse or dependent.
- An event that causes your dependent to meet, or fail to meet, eligibility requirements.
- Commencement or termination of adoption proceedings.
- Judgments, decrees or orders (your employer may allow changes only to health and dental).
- Medicare eligibility for you or a dependent.
- Medicaid eligibility for you or a dependent; only two changes are allowed per plan year, once out and once back in or vice versa.
- Changes in the coverage of your spouse or dependent under another employer's plan.
- Eligibility for leave under the Family and Medical Leave Act.
- The Uniformed Services Employment and Reemployment Rights Act of 1994.

To request special enrollment or obtain more information, current employees contact your insurance/ benefits coordinator. Former employees contact EGID member services. Refer to HealthChoice Plan Contact Information.

Current Employees

You can make changes to coverage only within 30 days of a qualifying event or during the annual Option Period.

All changes to coverage must be in compliance with the rules of your employer's Section 125 plan, or if no 125 plan is offered, in compliance with allowed midyear coverage changes as defined by Title 26, Section 125, of the Internal Revenue Codes (as amended) and pertinent regulations. Current employees must contact their insurance/benefits coordinator and complete an enrollment or change form.

Former Employees and Surviving Dependents

You can make changes to coverage only within 30 days of a qualifying event. Dependents or new benefits plans, other than vision, cannot be added during the annual Option Period.

Former employees and surviving dependents must submit a written request for changes in coverage to:

EGID
3545 N.W. 58th St., Ste. 600
Oklahoma City, OK 73112

Requests for changes can also be faxed to 405-717-8939. Verbal requests for changes in coverage are not accepted.

Note: Oklahoma law prohibits dropping your spouse/dependents if you are in the process of a divorce or legal separation at any time. If you are in the process of separation or divorce, it is important that you contact your legal counsel for advice before making any changes to your coverage.

Options for Current Employees Called to Active Military Service

Under USERRA, coverage can be continued for up to 24 months. USERRA provides certain rights and protections for all employees called to serve our nation. All branches of the military, all military reserve units and all National Guard units come under USERRA.

In addition to health care provided by the military, you have the following four choices regarding your current coverage:

- Retain all coverage. Your current employer is responsible for collecting and forwarding all premiums to EGID.
- Discontinue member coverage but retain dependent coverage. This is the COBRA option and dependents are billed directly at 102% of premiums, the COBRA rate, for health, dental and/or vision coverage. Under COBRA rules, life insurance cannot be retained.

- Discontinue all coverage except life insurance. You are billed directly.
- Discontinue all member and dependent coverage.

Each month, you must pay the full premium for the coverage you selected. Failure to pay premiums timely can result in the termination of coverage at the end of the month for which the last full premium was received. There is no penalty for renewing coverage upon discharge from active duty if coverage is elected within 30 days of your return to the same employment.

Regardless of whether you receive written or verbal military orders, EGID staff and/or your insurance/ benefits coordinator will assist you in making any benefits arrangements. If you are a member of a military reserve unit or the National Guard and anticipate being called to active service, notify your insurance/benefits coordinator at work.

Leave Without Pay – Current Employees

If you are on approved leave without pay through your employer, you can continue coverage for up to 24 months from the day you begin leave without pay status. You must make timely premium payments in full each month to your insurance/benefits coordinator.

If your coverage terminates for failure to pay premiums on time, you can re-enroll upon returning to work.

If you take leave under the Family and Medical Leave Act, please make premium payment arrangements with your employer before you take leave.

Special Rules for Those Eligible for Medicare

If you are a current employee and you or your covered dependents become eligible for Medicare, either as a result of age or because of disability, your employer's group plan remains primary and Medicare is your secondary coverage.

You can accept or reject coverage under your employer's group health plan. If you reject your employer's plan, Medicare becomes the primary payer for Medicare-covered health services. Additionally, your employer cannot provide you with a plan that pays supplemental benefits for Medicare-covered services or subsidize such coverage. Upon termination of employment, Medicare coverage becomes your primary insurance carrier.

If you are a former employee and you or your covered dependent is under age 65 and eligible for Medicare, you must notify EGID and provide the Medicare number as it appears on the beneficiary's Medicare Health Insurance card. Medicare supplement coverage is effective the date you become eligible for Medicare, or the first day of the month following notice to EGID, whichever is later. Late notice does not allow for a refund of excess premiums paid.

For further information regarding Medicare enrollment, call Social Security toll free at 800-772-1213. TTY users call toll free 800-325-0778. You can also access information regarding Medicare enrollment at [Medicare.gov](https://www.medicare.gov) or call Medicare toll free at 800-633-4227. TTY users call toll free 877-486-2048.

Proof of Creditable Prescription Drug Coverage

All of the HealthChoice health plans provide creditable prescription drug coverage. This means the prescription drug coverage offered through HealthChoice is at least as good as the **standard** Medicare Part D prescription drug coverage and meets the benefits guidelines set by Medicare.

If you or your spouse leave the employment that allows you to participate in HealthChoice coverage, you have the option to continue coverage through the HealthChoice Medicare supplement plans, which includes either Medicare Part D prescription drug coverage or creditable prescription drug coverage.

CONTINUING COVERAGE AFTER LEAVING EMPLOYMENT

If you leave employment, you and/or your eligible dependents may be able to begin or continue coverage through one of the following options:

- Vesting or retirement rights through a state-funded retirement system established by the State of Oklahoma.
- Years of service with state, education or local government employers. Refer to Years of Service in this section.
- Receiving benefits through the HealthChoice Disability Plan administered by EGID.
- Survivor rights for your covered dependents in the event of your death.
- Consolidated Omnibus Budget Reconciliation Act, also known as COBRA.

Each month, premiums must be paid in full. Failure to pay premiums on time can result in the termination of coverage at the end of the month for which the last premium was received.

Years of Service

You can begin or continue coverage after leaving employment if you make an election within 30 days following your employment termination date, and you meet one of the following conditions:

- You are eligible to participate in the Oklahoma Public Employees Retirement System and have eight or more years of service with a participating employer.
- You are an employee of a local government employer that participates in the plan but does not participate in the Oklahoma Public Employees Retirement System and have eight or more years of creditable service.
- You are eligible to participate in the Oklahoma Teachers' Retirement System and have 10 or more years of service with a participating employer.
- You are an employee of an education employer that participates in the plan but does not participate in the Oklahoma Teachers' Retirement System, and have 10 or more years of creditable service.

Education Employees

If you were a career tech employee or a common school employee who terminated active employment on or after May 1, 1993, you can continue coverage through the plan as long as the school system from which you retired or vested continues to participate in the plan. If your former school system terminates coverage under the plan, you must follow your former employer to its new insurance carrier.

If you were an employee of an education entity other than a common school (e.g., higher education, charter school, etc.), you can continue coverage through the plan as long as the education entity from which you retired or vested continues to participate in the plan. If your former employer terminates coverage with the plan, you must follow your former employer to its new insurance carrier.

Note: You cannot reinstate coverage that you discontinue or allow to lapse unless you return to work as an employee of a participating employer. Refer to Reinstatement in Termination or Reinstatement of Coverage.

Local Government Employees

If you were a local government employee who terminated active employment on or after Jan. 1, 2002, you can continue coverage through the plan as long as the employer from which you retired or vested continues to participate in the plan. If your former employer terminates coverage with the plan, you must follow your former employer to its new insurance carrier.

Note: You cannot reinstate coverage you discontinue or allow to lapse unless you return to work as an employee of a participating employer. Refer to Reinstatement in Termination or Reinstatement of Coverage.

Some reinstatement exceptions may apply if you are a state employee who terminated employment as a result of a reduction in force. Refer to State Government Reduction in Force and Severance Benefits Act in Termination or Reinstatement of Coverage.

New Employer Retirees

All retirees with former employers that joined the plan after the specified grandfathered dates must follow their former employer to its new insurance carrier.

Following Your Employer to a New Carrier

When you terminate employment, your benefits are tied to your most recent employer. If your employer discontinues participation with EGID, some or all of the employer's retirees and their dependents (depending on the type of employer) must follow the employer to its new insurance carrier. This is true regardless of the amount of time you were employed with any participating employer.

If you retire and then return to work for another employer and enroll in benefits through your new employer, your benefits are tied to your new employer.

Continuation through the Disability Program

You can keep health coverage in effect if you are receiving benefits through the HealthChoice Disability Plan. You can continue coverage as long as you are covered under the HealthChoice Disability Plan and pay premiums on time. You must maintain continuous coverage. If you discontinue coverage or allow coverage to lapse, it cannot be reinstated unless you return to work as an employee of a participating employer. Refer to Reinstatement in Termination or Reinstatement of Coverage.

Survivor Rights

Your surviving spouse and dependents have 60 days following your death to notify EGID they wish to continue coverage. Coverage is effective the first day of the month following your death.

- Your surviving spouse is eligible to continue insurance coverage indefinitely as long as premiums are paid.
- Surviving dependent children are eligible to continue coverage until age 26 as long as premiums are paid.
- Disabled dependent children are eligible to continue coverage as long as they continue to meet the HealthChoice definition of a disabled dependent and premiums are paid.

Note: COBRA continuation of coverage is available for dependent children who lose eligibility.

COBRA

If your or your dependent's coverage is terminated for any of the reasons listed below, each member has the right to elect temporary continuation of coverage under the Consolidated Omnibus Budget Reconciliation Act.

You are eligible to continue coverage for up to 18 months if you lose coverage due to:

- A reduction in your hours of employment.
- Termination of your employment for reasons other than gross misconduct.

Your covered spouse is eligible to continue coverage if coverage is lost due to:

- Your death (refer to Survivor Rights in this section).
- Termination of your employment for reasons other than gross misconduct.
- A reduction in your hours of employment resulting in loss of coverage.
- A divorce or legal separation.*

Your covered dependent children are eligible to continue coverage if coverage is lost due to:

- Your death (refer to Survivor Rights in this section).
- Termination of your employment for reasons other than gross misconduct.
- A reduction in your hours of employment resulting in loss of coverage.
- A divorce or legal separation of the parents.*

- Your dependent no longer meets the eligibility requirements for dependent status.

*Oklahoma law prohibits dropping your spouse/dependents if you are in the process of a divorce or legal separation at any time. It is important you contact your legal counsel for advice before attempting to make changes to your coverage.

If you are a **current employee**, it is your responsibility to notify your employer within 30 days of a divorce, legal separation or your child's loss of dependent status under this plan.

If you are a **former employee**, you must notify EGID in writing within 30 days of a divorce, legal separation or your child's loss of dependent status under this plan.

You and/or your eligible dependents must elect continuation of coverage within 60 days after the later of the following events occurs:

- The date the qualifying event would cause you and/or your dependents to lose coverage.
- The date your employer notifies you and/or your dependents of continuation of coverage rights.

If the qualifying event is related to termination of employment or reduced hours, coverage can be continued for a maximum of 18 months. If the qualifying event is for any other eligible reason, coverage for dependents can be continued for a maximum of 36 months. Continuation of coverage terminates immediately for you and/or all covered dependents under the following circumstances:

- The plan ceases to provide coverage.
- Premiums are not paid on time.
- You and/or your dependents become covered under another group health plan or qualify for Medicare.

If you have questions regarding COBRA, contact your insurance/benefits coordinator or EGID.

If you continue coverage under COBRA, an extension of the maximum period of coverage may be available if a qualified beneficiary is disabled or a second qualifying event occurs. You must notify EGID of a disability or second qualifying event in order to extend the coverage continuation period. Failure to provide timely notice of a disability or second qualifying event can affect your right to extend the coverage continuation period.

TERMINATION OR REINSTATEMENT OF COVERAGE

Termination

Your coverage, as well as any dependent coverage, ends on the last day of the month when one or more of the following events occur:

- You terminate employment with a participating employer and do not continue coverage through vesting, non-vesting, retirement, disability or COBRA.
- You do not pay premiums.
- The plan is terminated.
- Your death occurs.

In addition, a dependent's coverage ends on the last day of the month they cease to be an eligible dependent. Upon review by EGID, if you or your dependent is found to be ineligible, coverage is terminated effective on the first day of the month of discovery. EGID reserves the right to recover any benefits paid on behalf of an ineligible member.

Reinstatement

If you are currently employed by a participating employer and discontinue coverage on yourself or your dependents, you cannot apply for reinstatement of coverage for at least 12 months. To reinstate discontinued coverage, you must enroll within 30 days of:

- The expiration of the 12-month waiting period; if coverage is not reinstated within 30 days of the end of the waiting period, you cannot enroll in coverage until the next annual Option Period.
- The loss of other health coverage* or other qualifying event.

To reinstate coverage, proof of the loss of other health coverage* or other qualifying event must be submitted.

*Other health coverage cannot be an excepted benefit. Refer to Excepted Benefits in Plan Definitions.

Former employees who did not continue coverage upon leaving active employment, or who later discontinued coverage, must return to work with a participating employer for three years to be eligible to add or keep that coverage when they re-retire.

State Government Reduction in Force and Severance Benefits Act

You can reinstate health insurance coverage at any time within two years following the date of reduction in force from the state if you are a former state employee who:

- Had a vested or retirement benefit based on the provisions of any of the state public retirement systems.
- Was separated from state service as a result of a reduction in force any time after July 1, 1997.
- Was offered severance benefits pursuant to the State Government Reduction in Force and Severance Benefits Act.

Why is the Notice of Privacy Practices Important?

This notice provides important information about the practices of OMES pertaining to the way OMES gathers, uses, discloses, and manages your protected health information (PHI) and it also describes how you can access this information. PHI is health information that can be linked to a particular person by certain identifiers including, but not limited to, names, social security numbers, addresses and birth dates.

Oklahoma privacy laws and the Federal Health Insurance Portability and Accountability Act of 1996 (HIPAA) protect the privacy of an individual's health information. For HIPAA purposes, OMES has designated itself as a hybrid entity. This means that HIPAA only applies to areas of OMES operations involving health care, and not to all lines of service offered by OMES. This notice applies to the privacy practices of the following components included within OMES that may share or access your Protected Health Information as needed for treatment, payment and health care operations:

- The Employees Group Insurance Division (EGID).
- The Legal division.
- The Information Services division as it applies to maintenance and storage of PHI.

OMES is committed to protecting the privacy and security of your PHI as used within the components listed above.

Your Information. Your Rights. Our Responsibilities.

Your Rights

When it comes to your health information, you have certain rights. This section explains your rights and some of our responsibilities to help you.

Get a copy of your health and claims records

- You can ask to see or get a copy of your health and claims records and other health information we have about you. Ask us how to do this using the contact information at the beginning of this notice.
- We will provide a copy or a summary of your health and claims records, usually within 30 days of your request. We may charge a reasonable fee.

Ask us to correct health and claims records

- You can ask us to correct your health and claims records if you think they are incorrect or incomplete. Ask us how to do this.
- We may say “no” to your request, but we will tell you why in writing within 60 days.

Request confidential communications

- You can ask us to contact you in a specific way (for example, home or office phone) or to send mail to a different address.
- We will consider all reasonable requests.

Ask us to limit what we use or share

- You can ask us not to use or share certain health information for treatment, payment, or our operations.
- We are not required to agree to your request.

Get a list of those with whom we’ve shared information

- You can ask for an accounting of the times we’ve shared your health information for six years prior to the date you ask, who we shared it with, and why.
- We will include all the disclosures except for those about treatment, payment, and health care operations, and certain other disclosures (such as any you asked us to make). We will provide one accounting a year free of charge but will charge a reasonable fee if you ask for another accounting within 12 months.

Get a copy of this privacy notice

- You can ask for a paper copy of this notice at any time, even if you have agreed to receive the notice electronically. We will provide you with a paper copy promptly.

Choose someone to act for you

- If you have given someone medical power of attorney or if someone is your legal guardian, that person can exercise your rights and make choices about your health information.
- We will verify the person has this authority and can act for you before we take any action.

File a complaint if you feel your rights are violated

- You can complain if you feel we have violated your rights by contacting us using the information at the beginning of this notice.

- You may also file a complaint with the U.S. Department of Health and Human Services Office for Civil Rights by sending a letter to 200 Independence Avenue, S.W., Washington, D.C. 20201, calling 877-696-6775, or visiting www.hhs.gov/ocr/privacy/hipaa/complaints/. Complaints to HHS must be filed within 180 days of when you knew that the violation occurred.
- We will not retaliate against you for filing a complaint.

Your Choices

For certain health information, you can tell us your choices about what we share. If you have a clear preference for how we share your information in the situations described below, talk to us. Tell us what you want us to do, and we will follow your instructions.

In these cases, you have both the right and choice to tell us to:

- Share information with your family, close friends, or others involved in payment for your care.
- Share information in a disaster relief situation.

If you are not able to tell us your preference, for example, if you are unconscious, we may go ahead and share your information if we believe it is in your best interest. We may also share your information when needed to lessen a serious and imminent health or safety threat.

OMES does not share your information for purposes of marketing or by sale of your information.

Our Uses and Disclosures

How do we typically use or share your health information (PHI)?

- Your PHI is used and disclosed by OMES employees and other entities under contract with OMES according to HIPAA Privacy Rules using the “minimum necessary” standard which releases only the minimum necessary health information to achieve the intended purpose or to carry out a desired function within OMES.
- We typically use or share your health information in the following ways:

Help manage the health care treatment you receive

- We can use your health information and share it with professionals who are treating you.

Example: A doctor sends us information about your diagnosis and treatment plan so we can arrange additional services.

Run our organization

- We can use and disclose your information to run our organization and contact you when necessary.
- We are not allowed to use genetic information to decide whether we will give you coverage and the price of that coverage. This does not apply to long term care plans.

Examples: We use health information about you to develop better services for you, provide customer service, resolve member grievances, member advocacy, conduct activities to improve members' health and reduce costs, assist in the coordination and continuity of health care, and to set premium rates.

Pay for your health services

We can use and disclose your health information as we pay for your eligible health services.

Example: We share information about you with your dental plan to coordinate payment for your dental work.

Administer your plan

We may disclose summarized health information to your health plan sponsor for plan administration.

Example: Your employer contracts with us to provide a health plan, and we provide the employer with certain statistics to explain the premiums we charge.

How else can we use or share your health information?

We are allowed or required to share your information in other ways – usually in ways that contribute to the public good, such as public health and research. We have to meet many conditions in the law before we can share your information for these purposes. For more information, refer to www.hhs.gov/ocr/privacy/hipaa/understanding/consumers/index.html.

Help with public health and safety issues

We can share health information about you for certain situations such as:

- Preventing disease.
- Helping with product recalls.
- Reporting adverse reactions to medications.
- Reporting births and deaths.
- Reporting suspected abuse, neglect, or domestic violence.
- Preventing or reducing a serious threat to anyone's health or safety.
- Public health investigations.

Do research

We can use or share your information for health research, as permitted by law.

Comply with the law

We will share information about you if state or federal laws require it, including with the Department of Health and Human Services if it wants to see that we are complying with federal privacy laws.

Work with a medical examiner or funeral director

We can share health information with a coroner, medical examiner, or funeral director when an individual dies.

Address workers' compensation, law enforcement, and other government requests

We can use or share health information about you:

- For workers' compensation claims.
- For law enforcement purposes or with a law enforcement official.
- With health oversight agencies for activities authorized by law.
- For special government functions such as military, national security, and presidential protective services.

Respond to lawsuits and legal actions

We can share health information about you in response to a court or administrative order, or in response to a subpoena.

Our Responsibilities

- We are required by law to maintain the privacy and security of your protected health information (PHI).
- We will let you know promptly if a breach occurs that may have compromised the privacy or security of your PHI.
- We must follow the duties and privacy practices described in this notice and give you a copy of it.
- We will not use or share your PHI other than as described here unless you tell us we can in writing. If you tell us we can, you may change your mind at any time. Let us know in writing if you change your mind.

For more information, refer to <https://www.hhs.gov/hipaa/for-individuals/notice-privacy-practices/index.html>

Changes to the Terms of this Notice

We can change the terms of this notice, and the changes will apply to all information we have about you. The new notice will be available upon request, on our website, and we will deliver a copy to you. You may also subscribe online at <https://public.govdelivery.com/accounts/OKOMES/subscriber/new> to receive notice of changes to this page via email or text message.

FRAUD, WASTE AND ABUSE COMPLIANCE

The Office of Management and Enterprise Services Employees Group Insurance Division is committed to conducting its business activities with integrity and in full compliance with the federal, state and local laws governing its business. This commitment applies to relationships with members, providers, auditors and all public and government bodies. Most importantly, it applies to employees, subcontractors and representatives of EGID. This commitment includes the policy that all such individuals have an obligation to report problems or concerns involving ethical or compliance violations related to its business.

If you suspect that EGID has been defrauded or is being defrauded or that resources have been wasted or abused, report the matter to the EGID compliance officer immediately. You can report suspicious acts or claims by:

- Sending a report in writing to the EGID compliance officer at 3545 N.W. 58th St., Ste. 600, Oklahoma City, OK 73112.
- Emailing a message to EGID.antifraud@omes.ok.gov.
- Calling the EGID toll-free hotline at 866-381-3815.
- Visiting the EGID compliance officer in person.

Individuals are encouraged to provide adequate information in order to assist with further investigation of fraud. All investigations will be handled confidentially. Every attempt will be made to ensure the confidentiality of any report, but please remember that confidentiality may not be guaranteed if law enforcement becomes involved. There will be no retaliation against anyone who reports conduct that a reasonable person acting in good faith would have believed to be fraudulent or abusive. Any employee who violates the non-retaliation policy will be subject to disciplinary action up to and including termination.

You can also submit such reports anonymously. If you choose to submit information anonymously and want to receive updates on the status of the investigation, you are required to supply the compliance officer with an alias and a password as a means of obtaining secure updates. It is the reporting individual's responsibility to remember both the alias and password provided since the compliance officer is not able to divulge or reconfirm these if they are forgotten.

Examples of fraud, waste and abuse may include:

- An individual or organization pretends to represent HealthChoice, Medicare and/or Social Security, and asks you for your HealthChoice member ID, Medicare or Social Security number, bank account number, credit card number, money, etc.
- Someone asked you to sell your prescription drug card or the account information on the card.
- Someone asks you to get medications for them using your prescription drug card or prescription coverage.
- You are encouraged to disenroll from your plan.
- You are offered cash or a gift worth more than \$15 to sign up for a Medicare prescription drug plan.

- Your pharmacy does not give you all of your medications.
- You are billed for medications or health services that you did not receive.
- You are charged more than once for your insurance premium.
- Your prescription drug plan does not pay for your covered medications.
- You receive a different medication than your doctor ordered.

NOTIFICATIONS

Women’s Health and Cancer Rights Act and Oklahoma Breast Cancer Patient Protection Act of 1998 Notice

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 and the Oklahoma Breast Cancer Patient Protection Act of 1998. For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

- Not less than 48 hours of inpatient care following a mastectomy and not less than 24 hours of inpatient care following a lymph node dissection.
- All stages of reconstruction of the breast on which the mastectomy was performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses.
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles, coinsurance and policy provisions applicable to other medical services covered under this plan.

Coverage of Side Effects Associated With Prostate Related Conditions

HealthChoice provides coverage for side effects that are commonly associated with retropubic prostatectomy surgery, including but not limited to impotence and incontinence, and for other prostate related conditions.

If you have questions about the HealthChoice coverage of mastectomies and reconstructive surgery or prostate related conditions, contact Customer Care. Refer to HealthChoice Plan Contact Information.

PLAN DEFINITIONS

ACA

Affordable Care Act.

Accidental Injury

Bodily injury sustained as the direct result of an accident, independent of any other cause, which occurs while insurance coverage is in force.

Allowable Amount

HealthChoice pays benefits based on set amounts known as allowable amounts. This is the maximum amount HealthChoice will consider for payment for a covered service or supply, regardless of the amounts billed by a provider. A network provider will have agreed to accept the allowable amount as payment in full for the services rendered. A network provider cannot bill you for amounts above the allowable amounts. If you use a non-network provider that charges more than the plan's allowed amount, you may have to pay the difference. This is referred to as balance billing.

Example: A provider may charge \$150 for a service. HealthChoice's allowed amount is \$90. A network provider will accept the \$90 in full as payment for the service. HealthChoice will pay up to the \$90, depending on any copayment or deductible you may owe. A network provider will write off the remaining \$60 and you cannot be billed for that amount. If you use a non-network provider, then you are responsible for everything that HealthChoice does not pay, up to the full charge of \$150, if you are billed by the provider.

Alternative Plans (High and Basic)

The HealthChoice Alternative plans are designed for members and their dependents who do not or cannot complete a tobacco-free attestation when required during the annual Option Period. The alternative plans are identical to the regular plans in benefits and exclusions but many differ in deductibles, first dollar payments and maximum out-of-pocket amounts.

Balance Billing

When a provider bills you for the difference between the amount they charge and the amount HealthChoice pays. HealthChoice network providers cannot balance bill members, but non-network providers can.

Certification

A review process used to determine if services are medically necessary according to HealthChoice guidelines. Certification is performed by Customer Care.

Coinsurance

Coinsurance is a percentage of a medical charge that you pay, with the rest paid by your health insurance plan, after your deductible has been met.

Example: Your plan has coinsurance of 20% and you have met your deductible. If the plan's allowed amount for an office visit is \$100, you pay 20% of \$100, or \$20. Your insurance covers the other 80%, or \$80.

Copayments

This is a fixed amount you pay for certain covered services. Copays usually apply before you meet your deductible, but they do not count towards meeting your deductible. Copays are applied towards meeting your out-of-pocket maximum. **Note:** There are no network copays in the Basic plans, and your deductible must be met before copays apply in the HDHP.

Cosmetic Procedure

A procedure that primarily serves to improve appearance.

Deductible

This is the initial total you must pay of allowable amounts for network and/or non-network covered services before any benefit is paid by the plan. This includes, but is not limited to, amounts you pay for lab work, X-rays, surgical procedures, hospital admissions, etc. Copays do not count towards the individual or family deductible. Expenses for non-covered services and any expense you pay over the allowable amount for non-network services do not count towards your deductible. Once your deductible is met, you will share the cost of covered services with HealthChoice by paying coinsurance. **Note:** For the HDHP, the cost of prescriptions and office visits are included within the deductible. For Basic plans, the deductible applies after first dollar coverage.

Example: Your plan has a deductible of \$1,000, and you have \$2,500 in covered medical charges. You pay the first \$1,000 of the allowed amount in covered charges to meet your deductible, and then you share the cost of covered services with HealthChoice by paying coinsurance.

EGID

The Office of Management and Enterprise Services Employees Group Insurance Division.

Eligible Dependent

- Your legal spouse (including common-law spouse).
- Your daughter, son, stepdaughter, stepson, eligible foster child, adopted child, child for whom the member has been granted legal guardianship, or child legally placed with you for adoption up to age 26, whether married or unmarried. **Note:** Plan coverage which terminates upon the dependent's 26th birthday will terminate at the end of the month in which the birthday occurs.

- Your dependent, regardless of age, who is incapable of self-support due to a disability that was diagnosed prior to age 26; subject to medical review and approval of the Disabled Dependent Assessment form, which must be received at least 30 days prior to the dependent's 26th birthday.
- Other unmarried children up to age 26 who live with you and for whom you are primarily responsible. This requires completion of an acceptable Application for Coverage for Other Dependent Children. A tax return showing dependency can be provided in lieu of the application.

Eligible Employee

An employee of a participating employer who receives compensation for services rendered and is listed on that employer's payroll. This includes persons elected by popular vote (e.g., board members for education and elected officials of state and local government, state employees, rural water district board members), county election board secretaries and any employee otherwise eligible who is on approved leave without pay not to exceed 24 months.

- Education employees must be eligible to participate in the Oklahoma Teachers' Retirement System and work a minimum of four hours per day or 20 hours per week.
- Local government employees, including rural water districts, must be employed in a position requiring a minimum of 1,000 hours work per year.

Eligible Former Employee

An employee who participates in any of the plans authorized by or through the Oklahoma Employees Insurance and Benefits Act who retired or vested their rights with a state-funded retirement system, or has the required years of service with a participating employer. Surviving dependents and COBRA participants are considered as former employees.

Emergency Services

Refer to Emergency Care Coverage for more details.

Excepted Benefits

The four categories of benefits as established in section 2791 of the PHS Act, section 733 of ERISA and section 9832 of the Internal Revenue Code, as summarized in IRS Bulletin 2015-14 and subsequent regulatory guidance. These excepted benefits include, but are not limited to, vision coverage, dental coverage, long-term care insurance, Medicare supplement coverage, automobile liability insurance, workers compensation, accidental death and dismemberment insurance and specific disease coverage (such as cancer).

HealthChoice Standard Medication List

A list of preferred medications designed to maximize health outcomes and reduce costs.

Medications Limited in Quantity

Certain medications have a maximum quantity limitation due to approved therapy guidelines. These drugs have specific quantity limits per copay that are less than the standard benefit. Quantity limits are based on recommended duration of therapy and/or routine usage for each medication.

Medically Necessary

Health care services or supplies needed to prevent, diagnose or treat an illness, injury, condition, disease or its symptoms and that meet accepted standards of medical practice. Services or supplies must be the most appropriate supply or level of service which can safely be provided. For hospital stays, inpatient acute care is necessary due to the intensity of services you are receiving or the severity of your condition, or when safe and adequate care cannot be received as an outpatient or in a less intense medical setting. Services or supplies cannot be primarily for the convenience of you, the caregiver or provider. The fact that services or supplies are medically necessary does not, in itself, assure that the services or supplies are covered by the plan.

Network Provider

A provider who has entered into a contract with EGID to accept the plan's allowable amounts for services and/or supplies provided to plan members.

Non-covered Service

Any service, procedure or supply excluded from coverage and not paid for by the plan.

Option Period

The annual time period established by EGID when changes can be made to coverage.

Out-of-Pocket Maximum

The amounts you are responsible for based on the use of network or non-network providers. The out-of-pocket maximum does not include charges for non-covered services and balance billed charges from non-network providers.

Participating Employer

Any municipality, county, education employer or other state agency whose employees or members are eligible to participate in any plan authorized by or through the Oklahoma Employees Insurance and Benefits Act.

Pharmacy Deductible

Before benefits are available** for HealthChoice High, High Alternative, Basic and Basic Alternative plan members, the pharmacy deductible of \$100 per individual/\$300 maximum per family must be met. For HDHP members, the combined medical and pharmacy deductible must be met.

**Medications on the HealthChoice Preventive Medication List are not subject to the deductible. Copays apply to the pharmacy out-of-pocket maximum, but not the deductible.

Plan

The HealthChoice health insurance plans offered through EGID and described in this handbook.

Prior Authorization Medications

Prior authorization review is used to provide clinically driven, medically relevant criteria that must be met before a drug can be approved for coverage. Drugs that are subject to prior authorization review are generally medications that have limited therapeutic uses and drugs that require extensive monitoring for side effects.

Qualifying Event

An event that changes a member's family or health insurance situation and qualifies the member and/or dependent for a special enrollment period. The most common qualifying life events are the loss of health care coverage, a change in household (such as marriage or birth of a child), or a change of residence. A complete summary of qualifying events are set out in Title 26, Treasury Regulations, Section 125.

Step Therapy

Step therapy prior authorizations require you to first try a designated preferred drug to treat your medical condition before the plan covers another drug for that same condition. Some step therapy medications may also be limited in quantity.

Summary of Benefits and Coverage

A standardized document designed to provide specific information about select medical plan benefits to help individuals understand and compare them to the benefits provided under a different plan.

Urgent Services

A condition is considered urgent when it is not life threatening but requires care in a timely manner (within 24 hours). Examples include conditions which could deteriorate or are not bearable due to discomfort.

HealthChoice complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability or sex. HealthChoice does not exclude people or treat them differently because of race, color, national origin, age, disability or sex.

HealthChoice provides free aids and services to people with disabilities to communicate effectively with us, such as qualified sign language interpreters and written information in other formats (large print, audio, accessible electronic formats, other formats). HealthChoice provides free language services to people whose primary language is not English, such as qualified interpreters. If you need these services, contact HealthChoice at 800-323-4314 (TTY 800-545-8279).

If you believe that HealthChoice has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability or sex, you can file a grievance with the civil rights coordinator, 3545 NW 58th, St., Ste. 600, OKC, OK 73112, 866-381-3815, 866-447-0436 (TDD), 405-717-8609 (fax), DiscriminationComplaints@omes.ok.gov. You can file in person or by mail, fax or email. If you need help filing a grievance, the civil rights coordinator is available to help you.
