- Navigate to the menu on the left and select **Self Service**.

- Under the Personal Information section, select **Phone Numbers**.

- Enter your primary work number (desk phone or cell phone) in the **Business telephone** field. Ensure the checkbox is selected under the **Preferred** heading so this number will be displayed correctly in Office 365.
 - If you have a secondary state-owned device, enter that in the **Mobile** section.
 - If you enter your personal cell phone number in the Mobile field, please note that it colleagues **will** be able to view it in O365.
- Click the **Save** button to ensure the correct business phone number is on file.
