INTRODUCTION

Your Option Period Guide

This Option Period guide is a summary of the plans available to the following members who are not yet eligible for Medicare:

- Former employees and their dependents.
- Surviving dependents.
- COBRA participants.

Your Option Period Enrollment/Change Form

- If you do not want to make any changes to your coverage, do NOT return your form. Keep it as verification of your coverage.
- If you do not make changes to your coverage and are not automatically enrolled in one of the HealthChoice Alternative plans, you will not receive a confirmation statement from EGID.
- If you do want to make changes, complete your form and return it to EGID by Dec. 7.
- Review your statement when you receive it in the mail to verify your coverage is correct. Contact the Employees Group Insurance Division right away if it is incorrect.

It is your responsibility to review your benefits carefully so you know what is covered, as well as the plan's policies and procedures, before you use your benefits.

Don't Miss Out on Important Mailings

CommunityCare HMO

- Bariatric surgery is now a covered benefit with a $350 copay per day with a $1,750 maximum per admission.
- CDC-recognized National Diabetes Prevention Program is now a covered benefit with a $0 copay.

DENTAL PLANS

Blue Cross Blue Shield of Oklahoma

- BCBSOK – BlueCare Dental High Plan and BCBSOK – BlueCare Dental Low Plan are new dental plans for 2021. Refer to the Comparison of Benefits for Dental Plans.

Cigna

- The name of the 2020 Cigna Dental Care Plan (Prepaid) has been changed to Cigna Prepaid Low (OKIV9) for 2021.
  - If you are currently on the Cigna Dental Care Plan (Prepaid) in 2020, you MUST actively enroll in Cigna Prepaid Low (OKIV9) or choose another dental plan for 2021. If you do not do this, your dental coverage will end on Dec. 31, 2020.
- Cigna Prepaid High (K1I09) is a new dental plan for 2021. Refer to the Comparison of Benefits for Dental Plans.

REMINDER

The online attestation for Plan Year 2021 is open Sept. 21-Dec. 7, 2020. HealthChoice members who are tobacco free can update their annual Verification of Other Insurance Coverage and their Tobacco-Free Attestation online in just a few minutes.

Tobacco-Free Attestation

If you are enrolled in the HealthChoice High or Basic plan and wish to stay enrolled in that plan, you must complete the online Tobacco-Free Attestation for Plan Year 2021 available at **healthchoiceconnect.com** by Dec. 7, 2020. This does not apply to HDHP members.

The attestation is waived for the first year of enrollment in the High or Basic plan but is required each year thereafter to remain enrolled. If you are in the process of quitting tobacco, you must be tobacco free for 90 days prior to the deadline to attest to being tobacco free.

If you cannot sign the Tobacco-Free Attestation because either you or a covered dependent uses tobacco, you can still qualify for the High or Basic plan if those who use tobacco complete one of the following alternatives by Dec. 7, 2020:

- Show proof of an attempt to quit using tobacco by enrolling in the quit tobacco program available through the Oklahoma Tobacco Helpline (800-QUIT-NOW) and Optum and completing three coaching calls.
- Provide a letter from your doctor indicating it is not medically advisable for you or your covered dependents to quit tobacco.

If you do not complete the Tobacco-Free Attestation or complete one of the reasonable alternatives and you are not in the first-year grace period, you will automatically be enrolled in the HealthChoice High Alternative or Basic Alternative plan effective Jan. 1, and your annual deductible will be higher. Refer to the Comparison of Network Benefits for Health Plans.

Coordination of benefits

You are required to annually verify if you or any of your covered dependents have other health or dental insurance. Failure to verify other insurance coverage will result in denial of claims until verification is completed. You may complete your verification by registering at **healthchoiceconnect.com** or by calling HealthChoice Customer Care at 800-323-4314.

Coordination of benefits is an industry standard process that occurs when two insurance plans must work together to pay claims for the same person. Coordinating benefits establishes which plan is primary and which plan is secondary and helps avoid duplicate payments by making sure the two plans do not pay more than the total amount of the claim. The primary plan pays first and the secondary plan pays any remaining balance after your share of the costs is deducted. This process also helps reduce the cost of insurance premiums.

GENERAL INFORMATION

The benefits you select will take effect Jan. 1 – or for new employees, the effective date of your coverage – through Dec. 31, 2021, or the last day of the month of your termination date.

After enrollment, the plans you select will provide more information about your benefits. Contact each plan directly if you have questions about your benefits. The contact information is provided at the end of this guidebook.

It is your responsibility to review your benefits carefully so you know what is covered before you choose your benefits.

Enrollment in a plan does not guarantee a provider will remain in your plan's network for the entire year. You enroll with the plan and not the provider. If your provider terminates their contract during the plan year, this does not allow you to change your plan carrier.

HEALTH PLANS

There are several health plans available:

- BCBSOK – BlueLincs HMO.
- CommunityCare HMO.
- GlobalHealth HMO.
- HealthChoice High and High Alternative.
- HealthChoice Basic and Basic Alternative.
- HealthChoice HDHP.

Refer to Comparison of Network Benefits for Health Plans on Pages 18-29 for benefit information.

- There are no preexisting condition exclusions or limitations applied to any of the health plans.
- All health plans coordinate benefits with other group insurance plans you have in force.
- If you select an HMO:
  - You must **live** within an HMO's ZIP code service area to be eligible. Post office box addresses cannot be used to determine your HMO eligibility. Refer to **Pages 11-17** for the HMO ZIP Code Lists.
  - You must use the provider network designated by that plan for Oklahoma.
- If you select HealthChoice:
  - To remain enrolled in the HealthChoice High or Basic plan for 2021, you must complete the Tobacco-Free Attestation located on the HealthChoice website or one of the two listed reasonable alternatives.

HSA Information

HSAs for HealthChoice HDHP members allow you to save money for HSA-eligible expenses, and they give you the ability to take greater control of your own health care costs. An HSA allows you to have pretax HSA contributions withheld from your paycheck.

NOTE: A member cannot contribute to both an HSA and a Section 125 flexible spending account at the same time.

HSA card

Use your HSA card to pay for eligible expenses instead of paying out of pocket.

- Direct access to funds.

VISION PLANS

There are several vision plans available:

- Primary Vision Care Services.
- Superior Vision.
- Vision Care Direct.
- VSP.

Refer to Comparison of Benefits for Vision Plans on Pages 38-40 for benefit information.

- Verify your vision provider participates in a vision plan's network by contacting the plan, visiting the plan's website or calling your provider.
- All vision plans have limited coverage for services provided by out-of-network providers.

If your provider leaves your health, dental or vision plan, you cannot change plans until the next annual Option Period. However, you can change providers within your plan's network as needed.

HEALTHCHOICE LIFE INSURANCE PLAN

Please take time this Option Period to consider your life insurance needs. Former employees and surviving dependents have the following life insurance options:

- Keep your current amount of life insurance.
- Reduce your amount of life insurance.
- Reduce your amount of Dependent Life insurance.

Your Option Period Enrollment/Change Form indicates the amounts and types of life insurance you currently carry. Please take time to evaluate your coverage. Keep in mind that as a former employee or surviving dependent, you cannot reinstate any life insurance that you decrease or terminate.

Beneficiary Designation

Your beneficiary designation can be changed at any time. For a Beneficiary Designation Form or more information, contact HealthChoice. Refer to Contact Information at the back of this guide. This form is also available at **healthchoiceconnect.com**. For Dependent Life insurance, the member is the beneficiary, so no beneficiary designation is needed.

ELIGIBILITY

Former employees (retired, vested and non-vested), COBRA participants and surviving dependents can make certain changes during Option Period:

Former employees and surviving dependents can:

- Change health and/or dental plans currently in place.
- Drop coverage and/or dependents.
- Decrease life insurance coverage.
- Enroll in or change vision plans.

COBRA participants can:

- Add a spouse or eligible dependents up to age 26.
- Add or change coverage (health, dental and/or vision) as long as your former employer participates in those benefits.
- Drop benefits and/or dependents.

Dependents

- If one eligible dependent is covered, all eligible dependents must be covered. Exceptions apply (refer to Excluding Dependents from Coverage in this section).
- Eligible dependents include:
  - Your legal spouse (including common-law).
  - Your daughter, son, stepdaughter, stepson, eligible foster child, adopted child or child legally placed with you for adoption up to age 26, whether married or unmarried.
  - A dependent, regardless of age, who is incapable of self-support due to a disability that was diagnosed prior to age 26. Subject to medical review and approval.
  - Other unmarried dependent children up to age 26, upon completion and approval of an Application for Coverage for Other Dependent Children. Guardianship papers or a tax return showing dependency can be provided in lieu of the application.

- If your spouse is enrolled separately in one of the plans offered through EGID, your dependents can be covered under either parent's health, dental and/or vision plan (but not both); however, both parents can cover dependents under Dependent Life.
- Dependents can be enrolled only in the same types of coverage and in the same plans you elect. For COBRA members, exceptions apply.
- To enroll your newborn, a letter requesting coverage for the newborn must be sent to EGID within 30 days of the birth. If you are a former employee or surviving spouse and do not enroll your newborn during this 30-day period, you cannot do so at a later date. If you are a COBRA participant and do not enroll your newborn during this 30-day period, you will not be able to do so until the next annual Option Period. Direct notification to a plan will not enroll your newborn or any other dependents.
- The newborn's Social Security number is not required at the time of initial enrollment, but must be provided once it is received from Social Security. Insurance premiums for the month the child was born must be paid.
- Without enrollment:
  - HealthChoice – A newborn has limited coverage without an additional premium only for the first 48 hours following a vaginal birth or the first 96 hours following a cesarean section birth. Under the HealthChoice plans, a separate deductible and coinsurance apply.
  - BlueLincs, CommunityCare, and GlobalHealth HMOs – A newborn is covered for 31 days without an additional premium.

Excluding Dependents from Coverage

- You can exclude your spouse from health, dental or vision coverage while covering other dependents on these benefits. Your spouse must sign the Spouse Exclusion Certification section of your Option Period Enrollment/Change Form.
- You can exclude dependents who do not reside with you, are married, are not financially dependent on you for support, have other group coverage or are eligible for Indian or military health benefits.

COBRA – Temporary Continuation of Coverage

COBRA coverage may be available to dependents who become ineligible due to qualifying events, such as:

- Reaching age 26 (applies only to dependent children).
- Divorce of a spouse.
- Death of the covered employee.

IMPORTANT INFORMATION ABOUT BECOMING ELIGIBLE FOR MEDICARE

Eligible for Medicare Prior to Turning 65

If you are under age 65 and become eligible for Medicare, you must notify EGID to begin the enrollment process into a Medicare supplement plan or Medicare Advantage Prescription Drug (MAPD) plan. You will be asked to provide your Medicare number as it appears on your Medicare health insurance card. Depending on the plan you are enrolled in, you may have different options for your Medicare supplement plan or MAPD coverage. Your Medicare supplement plan or MAPD coverage will become effective the date you become eligible for Medicare or the first of the month after you complete the enrollment process, whichever is later.

Aging into Medicare

Approximately two months before you or one of your eligible dependents turn 65, EGID will send you a letter that explains the Medicare plan options available to you. The letter will also provide instructions on how to enroll with a Medicare supplement plan or MAPD plan.

If you are enrolled in HealthChoice or an HMO, you can enroll in any Medicare supplement plan or MAPD plan within the program (if available in your area). If you or one of your dependents will soon become Medicare eligible, watch your mail for this important enrollment information.

All Medicare Eligible Members

The OMES Administrative Rules state that all covered individuals who are eligible for Medicare, except current employees, must be enrolled in a Medicare supplement plan or MAPD plan offered through EGID, regardless of age. **To maximize your benefits, you need to enroll in Medicare Part B.** The Medicare supplement plans do not require you to be enrolled in Part B, but pay benefits as if you are. All MAPD plans offered through EGID **require** you to have both Medicare Part A and Part B.

Notice of Creditable Coverage

If you are a former employee who is already eligible or will soon become eligible for Medicare, you may be hearing a lot about Medicare prescription drug benefits (Part D) and creditable coverage.

The term creditable coverage, as it applies to Medicare Part D, simply means that the prescription drug benefits of an insurance plan meet certain standards that have been set by the Centers for Medicare & Medicaid Services. All health plans offered through EGID provide creditable coverage.

The Medicare Supplement and Medicare Advantage with Part D plans available through EGID provide creditable coverage. If you drop health coverage through EGID and do not get other Part D coverage or coverage as good as Medicare's in the future, you may have to pay Medicare's late enrollment penalty in addition to your premium for Part D prescription drug coverage.

VISION PLAN NOTES

PVCS: The only Oklahoma owned and operated vision care plan with unlimited network services. Member must select either network or non-network for entire year. Network services are unlimited. Non-network services (one eye exam, one set of eyeglasses or contacts) are limited to once annually. A $50 service fee applies to soft contact lens fittings; a $75 service fee applies to rigid or gas permeable contact lens fittings or refittings; and a $150 service fee applies to hybrid contact lens fittings or refittings. Simple replacements are not assessed with these fees. Limitations/exclusions include the following: 1) Medical eye care, 2) Vision therapy, 3) Non-routine vision services and tests, 4) Luxury frames, 5) Premium prescription lenses, and 6) Nonprescription eyewear. For more information or detail, call 888-357-6912.

Superior Vision: Vision Plan information/detail is available at **microsite.versanthealth.com/stateofoklahoma/**. Materials copay applies to lenses and/or frames. Discounts for lens add-ons will be given by contracted providers with a "DP" in their listing. Exams, lenses and frames are provided once per calendar year. Progressive lenses (no-line bifocals) – you pay the difference between the retail price of the selected progressive lens and the retail price of the lined trifocal. The difference may also be subject to a discount with provider offices that accept our discount plans. Standard contact lens fitting applies to an existing contact lens user who wears disposable, daily wear or extended wear lenses only. The specialty contact lens fitting applies to new contact lens wearers and/or members who wear toric, gas permeable or multifocal lenses.

Vision Care Direct: With VCD you can get your exam, frames, and lenses with free upgrades (high definition polycarbonate and progressive lenses with premium anti-reflective and UV coatings) for $30. Other plans may offer discounts for extra services, but we include the extras the doctor wants you to have. What would normally cost you over $300 for progressive lenses will cost you much less with VCD. Choose any frame up to $130 and simply pay the difference if you go over. When you compare the total cost of your premiums and what you spend in the doctor's office you will see, in most cases, we offer a plan that will cost you less money overall. We are an Oklahoma-owned and operated company, which means customer service is here in the state to help you anytime you need help. It also means that you support your local community and schools when you buy a plan based in Oklahoma! VCD is not an insurance company so our focus is on delivering the very best patient care with quality materials at a very affordable price because we want you to SEE THE DIFFERENCE. Visit www.okstate.vision for more information and to search for providers. (To get the free upgrades mentioned above be sure to look for the "VCD Plus" logo when searching for a provider.) If you have questions or want more information, call 855-918-2020 or email **oklahoma@visioncaredirect.com.**

VSP: Exam, lenses and frame benefit provided annually. The $25 materials copay applies to lenses or frames, but not to both. Copays/prices listed are for standard lens options. Premium lens options will vary. If choosing a frame valued at more than the allowance, member saves 20% on out-of-pocket costs when using a VSP doctor. Member receives an extra $50 toward frame allowance when selecting a Marchon frame. Contact lenses are in lieu of spectacle lenses and frame. The $120 network allowance applies to the contact lenses. With a VSP provider, the contact lens exam (fitting and evaluation) is covered in full after a copay up to $60. The $105 non-network allowance applies to the contacts and contact lens exam. Contact lens exam is performed in addition to your routine eye exam to check for eye health risks associated with improper wearing or fitting of contacts. Prescription glasses – member receives an extra 20% off additional complete pairs of glasses, sunglasses or lens options at any VSP provider within last 12 months from exam. Contact VSP or visit **vsp.com** to learn more. VSP members can now use and integrate their benefits online, via **eyeconic.com**. Oklahoma enrollees can virtually try on each pair in the extensive catalog of glasses and sunglasses. Members can order glasses and contacts while using their VSP benefit. In addition to your VSP vision insurance, any additional savings will automatically be applied at the time of purchase. Frames can be sent directly to your door, or your provider's office for a final fitting, adjustment, and confirmation you are completely satisfied.
